NEW YORK, Sept. 20—(AP)—The serious business of the 1932 major league season ended today when the Chicago Cubs clinched the right to meet the New York Yankees in the world's series.

The first two games are to be played at the Yankee stadium, New York, Wednesday, September 28 and September 29.

After a day of travel the teams will resume activity in Chicago for three games, October 1, 2 and 3 and then if necessary return to New York for the final games, October 5 and 6.

The principal worry for the Yankees, who clinched the American league flag a week ago lies in the condition of Babe Ruth. The great man succumbed to a threatened appendicitis attack in Detroit September 7 and has not played since. He began light workouts in the stadium a few days ago and is expected to play in the series against Philadelphia beginning tomorrow. The Babe insists he will be in first class shape before the series starts.

Advance estimates indicate that new world series records for attendance and receipts may be made. The Yankee stadium has been enlarged since the last series there and will hold 69,946 fans, who will pay \$234,000 if they fill it. Wrigley field in Chicago holds about \$2,000 and a sellout will bring in more than \$200,000. The record, set by the Yankees and Cardinals in 1926 is 328,051 attendance and \$1,207,864 receipts.

CHICAGO, Sept. 20—(AP)—After winning the National league pennant by copying the first game 5 to 2, the Chicago Cubs were shut out in the nightcap by Meinel and the Pirates won 5 to 0. The new champions made only three hits but were using a makeshift lineup.

## SPEEDBOAT RECORD REGAINED BY WOOD

ALGONAC, Mich., Sept. 20—(AP)—Curt Wood, brought back to the world's speedboat record to the United States today by sending his Miss America X catapulting twice over a measured mile on the St. Clair river here at an average speed of 124.91 statute miles an hour.

The former record, 119.75 miles an hour, was made on Loch Lomond, Scotland, July 18 by Kaye Don, British speedboat pilot, who tried unsuccessfully a fortnight ago to wrest the Harmsworth trophy from Wood.

Wood, after the record-breaking run, said Miss America's four 12-cylinder engines had not been wide open in today's effort and that he knew that the big, mahogany-hulled thunderbolt could go faster. "How much faster, I can't say," he said. "The motors were making 2,600 revolutions per minute. Their limit, with safety, is 2,700 R.P.M."

## LEAPFROG LIMBERS UP H. S. GRIDDERS

"Leapfrog" and that old-time brutish activity, falling on the ball, were some of the strenuous activities engaged in Tuesday by Coach Hollis Huntington's Salem high gridiron squad, now swelled to over 40 candidates.

HOW good are the Cubs? What chance will they have with the Yanks in the coming world series? What effect will that drive down the stretch to the National League flag have on the team's morale and stamina? Are they burned out?

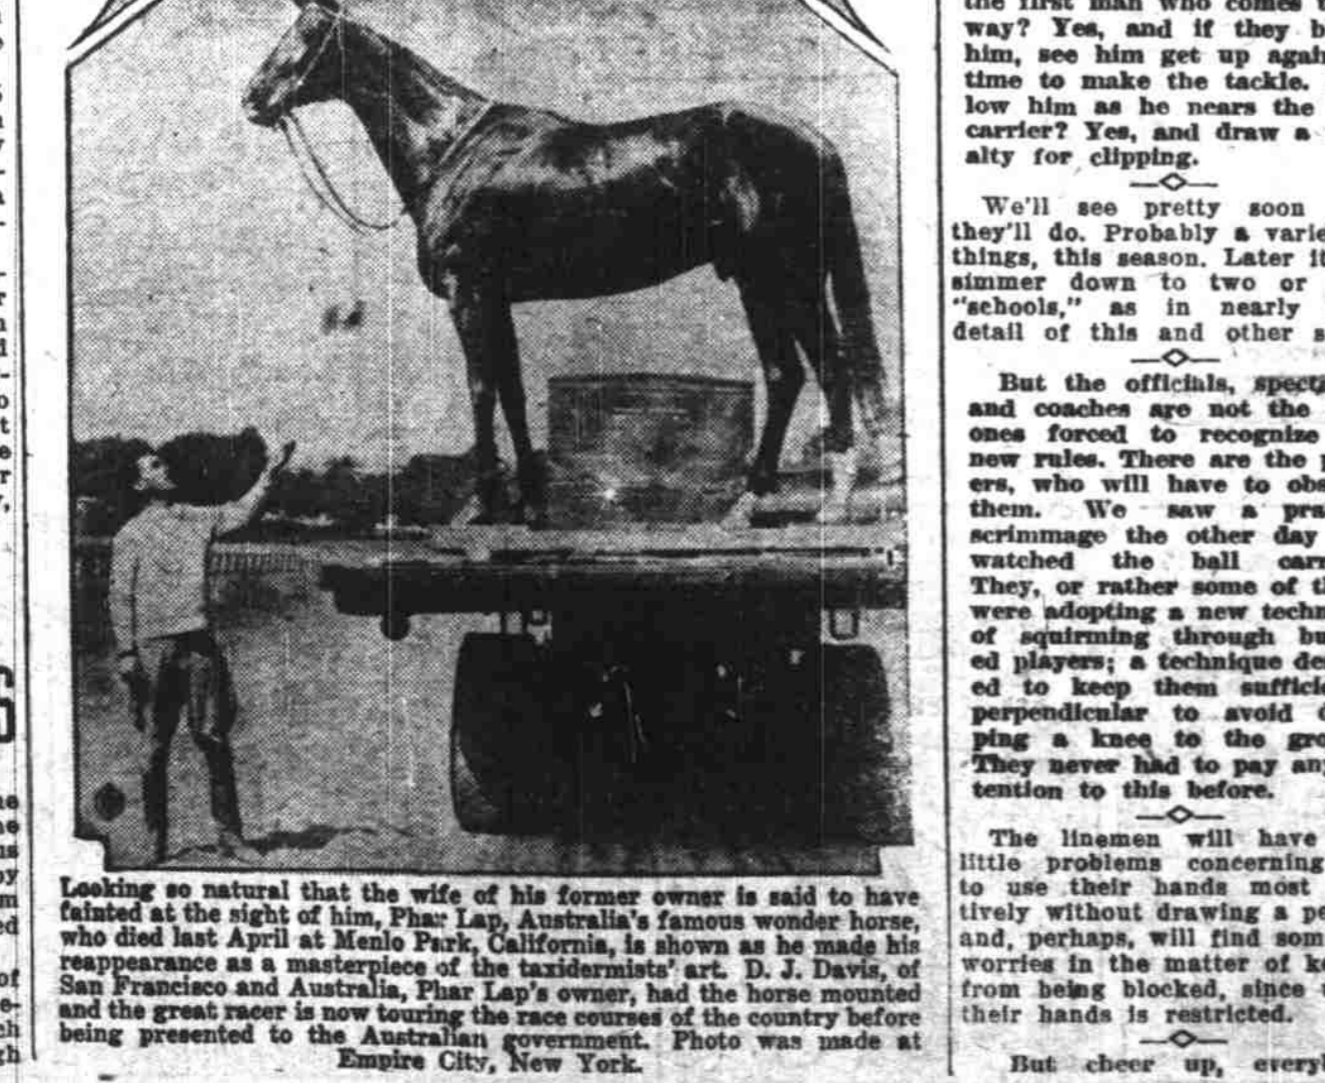

The Cubs are good. There is no question about that, but there is also no denying the fact that the fight to win was a long, arduous one, what with the Pirates and the Brooklyn Dodgers staging winning streaks that brought them to different times right up to the very heels of the flying Cubs.

The Yanks, while they were not some stiff capers Tuesday afternoon to get them in condition for the grid that must be undergone before the first game against the alumni October 1.

## WEBFEET MEET PACIFIC FRIDAY

Callison has Material in Bunches; Hard Schedule Is Severe Handicap

UNIVERSITY OF OREGON, Eugene, Sept. 20.—(Special)—University of Oregon will open its 1932 football schedule Friday night against Pacific university. The game will be played here on Hayward field, under flood lights.

Despite the inexperience of the Webfoot machine, and especially the backs, Prink Callison, new coach, hopes to put out one of the finest teams in Oregon's history. Callison, however, is going to be handicapped by the toughness of the schedule. Oregon, as no other team in the conference, plays three tough eleven in the first three weeks of the season.

After the Pacific tilt, Oregon takes on Santa Clara here, October 1. Then comes Washington in their traditional battle at Portland, October 8. The California Bruins meet the Webfoots, also in Portland, October 15, in the annual Shrine game.

Plenty of Material But Mostly Green  
A wealth of material is available, but it lacks experience. Because Oregon has no experienced center, Callison has been forced to shift Bernie Hughes, veteran guard, to the pivot post. That means that the Ducks will have two new guards this fall, and on the showing of these guards will depend Oregon's chances in conference competition.

Aside from the guards, a veteran is available for every position. That includes Captain Morgan and Nilsson at tackle; Bailey and Wisard at end; Bowerman at quarter; Mikulak at full, and Temple and Gee at half.

To keep Hughes on his toes at center are Chase, 190-pound sophomore, and Gemlo, another 190-pound sophomore. Chuck Swanson 180-pound substitute center, also is back.

Dick Clark, 195, has the inside track for one guard position. Gardner Frye, 190, freshman tackle last year; Roy Gagnon, 200, freshman guard in 1931; Ted Gleaske, 185, another sophomore, and two reserves Bree Cuppoletti, 185, and Hank Johnson, 190, make up the guard combinations.

Salem Man Looks As Tackle Prospect  
Tackles include, besides Morgan and Nilsson, Alex Eagle, 220; Charles Bishop, 245, of Salem; Ross Smith, 190; George Bagley, 215; all sophomores, and "Spook" Pope, varsity reserve.

The ends lack reserves as do the guards. Bailey, 180, and Wisard, 185, are back. Others are Butch Morse, 190, of Portland; Bud Pozzo, 180, varsity fullback last year, and one or two others.

Bill Bowerman, 178, two-year veteran, is back. His chief competitors at quarterback are Ralph Terjeson, 185, sophomore, and Clarence Coddling, 180, who was freshman guard in 1931.

Mike Mikulak, 200, is back at fullback. Great things are expected of Mike. Howard Bobbit, 180, and Wally Lawrence, 178, both experienced, are his underkicks.

The halfbacks include: Temple, Gee, George Popeljak, 165, Stan Kostka, 200, Art Clarkson, 165, Bobby Parke, 160, Elmer Brown, 158, Paul Starr, 160, Earl Parker, 165, Powell Lancaster, 180, transfer from Ashland Normal, Johnny Londahl, 200, two-year veteran, who was not in school last year.

After all, it's the same old game, almost 90-4-100 per cent pure. Ball carriers will race down the field and be spilled with all the old-time ferocity, ends and tackles will smash through and throw runners for losses, there will be no dearth of bandages and tape and occasions for their utilization. It's not quite "bean-bag" yet.

### QUEEN HELEN

It's a great year for Helen. We saw Helen Madison sweep the swimming laurels at the Olympics; Helen Jacobs do likewise in the national tennis championships and now here is Helen Fulton, of Chicago, with the trophy emblematic of the girls' national tennis title, which she won by defeating Bonnie Miller, of Los Angeles, in the final of the tourney at Philadelphia.

## SPRINTER OUT FOR FOOTBALL

Frank Wykoff, University of Southern California speed king who holds the world's record for the 100-yard dash, surprised and pleased Coach Howard Jones of U. S. C. by coming out for football. Frank is trying out for quarterback. Football authorities agree he would be almost impossible to catch if he got away with the ball.

PORTLAND, Ore., Sept. 20—(AP)—Portland took the series opener from Los Angeles, 17 to 6, in tonight's ball game here, increasing its first place lead over Hollywood to three games.

The Ducks clinched the game in the fourth inning when they scored eight runs on five singles, a double and three walks. They took three more in the sixth inning then uncorked another busy inning in the eighth to add six runs.

Los Angeles shot in four pitchers in an effort to abate the Portland scoring storm, and all four were generous with their walks, allowing a total of 14. The Angels were unable to score until the sixth inning, when they got two runs, then added one in the seventh and ended their scoring with three runs in the eighth.

Los Angeles . . . . . 17 15 2  
Portland . . . . . 6 11 2  
Baecht, Ward, Middleford, Curtis and Campbell; Peterson and Palmisano.

Missions Shut Out  
SAN FRANCISCO, Sept. 20—(AP)—In a pitching duel between Bryan and Chelini, Sacramento shut out the Missions 2 to 0 today. Chelini allowed the Senators only 8 hits but walked eight batters. Two of these walks were directly responsible for the scores.

SEATTLE, Sept. 20—(AP)—San Francisco defeated Seattle, 11 to 8, in the opening game of their coast baseball series here today. The Seals got 19 hits and scored in every inning but the fourth, eighth and ninth. Seattle, scoreless for four innings, put on a drive in the next two frames, getting three runs in each. And two more in the eighth, but failed to catch up with the visitors.

LOS ANGELES, Sept. 20—(AP)—Oakland . . . . . 3 9 1  
Hollywood . . . . . 2 10 1

CLEVELAND, Sept. 20—(AP)—Cleveland reached St. Louis pitchers for 19 hits to win the second game of a double header from the Browns today 11 to 2. They won the first 5 to 1.

Waver Wins His 22nd  
BOSTON, Sept. 20—(AP)—Washington beat Boston 4 to 1 today behind the four-hit pitching of Monte Weaver. It was Weaver's 22nd victory of the season.

## Green Squad Of Bearcats Facing Game

With his squad in an exceedingly unfinished state and the time to prepare for the first game dwindling rapidly, Coach "Spec" Keene of Willamette university sent his gridgers through a long session of signal drill Tuesday afternoon, followed by just enough light scrimmaging to bring about some semblance of timing on the plays.

Spring practice is proving its value, for the players who participated in it are showing some familiarity with the plays Keene plans to use. However, less than half of those now out had this advantage, and since it will be necessary to mix groups in the Oregon State game Saturday, probably not more than three or four different plays will be possible.

While there has been no heavy scrimmaging, bruises and small injuries are already showing up as a result of tackling and blocking practice. Keith Jones, veteran tackle who is working at halfback

## BEAR TRAINER STOPS JONES

Promised Rough Stuff Seen In That Bout and More In Speedy Prelim

Grappling fans who take their rough and wicked were not disappointed in the Mervin Barrackman-Henry Jones bout Tuesday night. Most of the common methods of punishment and some that were neither common nor proper, were dragged out and exhibited before Barrackman won the deciding fall.

The fans were expecting this, of course, but it took them some time to warm up to the proceedings, being apparently exhausted to the point of numbness by the fast moving preliminary.

Jones slipped on that always-decisive punisher, the Boston crab, to take the first fall in 23 minutes. After a lot of slapping, gouging and toe-stomping, Barrackman evaded the score with a shoulder and arm bar in 11 1/2. He came back speedily to grab the third one in 7:45 with a backward body slam.

Ralph Morley of Sale Lake City and John Simmons of Seattle (not his relative, Addison Simmons) grappled ferociously, exhibiting all the evidences of a grudge match, for a full hour to a draw, each winning one fall. Morley took the first in 24:50 with a reverse headlock and Simmons the second with a body press in 11:15, after showing a sharp knee into Morley's stomach to get him in the proper frame of mind.

Simmons had used his fists effectively and this resulted in a set-to with Referee Harrington which caused still more excitement.

Appearance of "Andy" Barrackman's bear, was a finale, but in refusing to wrestle; but the gave some spectators a kick, especially those he crowded while dodging through the balcony to keep away from the arena.

## Max Baer is Third Heavy On New List

BALTIMORE, Sept. 20—(AP)—Jack Sharkey was recognized today by the National Boxing association as the United States and world heavyweight boxing champion.

Max Schmeling of Germany, the former titleholder, was ranked next, followed by Max Baer. Ernie Schaaf was dropped from fourth to seventh and Primo Carnera and William L. Striving were not listed among the first ten contenders.

After Johnny Jadick and Kid Chocolate had been recognized junior welterweight champion and junior lightweight titleholder respectively, the association voted to drop official recognition of the two classes.

Maxie Rosenbloom, recognized in some states as light-heavyweight king, was placed fifth among the contenders, the title going to George Nichols.

Marcel Thil of France was crowned as best of the middleweight class, filling the vacancy caused by Mickey Walker's entering the heavyweight division, where he was rated fifth in this year's list.

Other champions of the National Boxing association follow: welterweight, Jackie Fields; lightweight, Tony Canzoneri; featherweight, Tommy Paul; bantamweight, Al Brown; flyweight, Young Perez.

## SALE OF WHEAT TO CHINA IS OPPOSED

SPOKANE, Wash., Sept. 19—(AP)—Northwestern Cooperative farmers called upon the Reconstruction Finance corporation at a mass meeting here today to finance the sale of 25,000,000 bushels of wheat to the Chinese government, so that the surplus of this region would be lessened. Three hundred farmers, representing 6,000 members of the local cooperatives affiliated with the North Pacific Grain Growers' Inc., the northwest regional marketing unit in Montana, Idaho, Oregon and Washington, attended the meeting.

A resolution pointed out that approximately a 50,000,000 bushel surplus faces growers of this region when the 1932 crop is harvested.
