National Title Prospects Of Bill Ingram's Boys Gone Glimmering

By RUSSELL J. NEWLAND
MEMORIAL STADIUM, Berkeley, Cal., Sept. 24—(AP)—Trapped in his own lair by a fighting Santa Clara eleven, University of California's Golden Bears went down to a stunning 12-0 defeat today while 50,000 fans thrilled to the first victory ever scored by the Broncos over their traditional rivals.

Outfought on the ground and out-manuevered in the aerial lanes, the 1932 blue and gold eleven that had been boosted as of possible national championship calibre, tumbled into startling defeat before a team that recognized neither a superior nor an equal.

The Bears received the first kickoff and made their only real showing in the first few minutes of play.
Breaks Pave Way For Both of Scores

In the second period, the smooth working Bronco machine rolled to its first touchdown. It was a 27 yard thrust, made after the visitors had recovered a California fumble.

A scoreless third period saw Santa Clara drive down to the one yard mark where a badly tossed pass fell over the goal line to give a temporary respite to a badly harassed Bear.

Battling into the final period, the teams exchanged the ball on intercepted passes. The Broncos, however, made the most of their opportunity. Al Dowd, center, intercepted Williams' pass and Santa Clara put the ball into play on California's 30 yard line. Farris smashed the line for five yards on two tries and Sobrero, substitute left half, added 19 yards more in two juggings of the oval. The Bear line stiffened to hold Farris on another attempted smash so Sobrero fell back, leaped into the air and shot a pass to Slavich, the center snagging the ball behind the line.

Husky Shows Power, Beats Bulldog 19-7

WASHINGTON STADIUM, Seattle, Sept. 24—(AP)—The University of Washington sounded a note of warning to other Pacific Coast conference football teams today when it scored a sparkling 19 to 7 victory over the feared and tricky Gonzaga eleven of Spokane in a non-conference battle which opened the intercollegiate grid season in Seattle.

The first Washington touchdown came after three minutes of play in the first quarter. A dazzling 35-yard pass, Muczynski to Bufkin, paved the way and Sulkosky and Muczynski cracked the bulldog wall from the five-yard line with the latter scoring through center.

Gonzaga stepped into the lime light at the start of the period to score its only touchdown on a 40-yard drive. A bullet-like pass, Frazier to Cassetto, started the fireworks and the Bulldogs refused to be stopped until big Max Krause, the power-plant of the Gonzaga machine, bolted through right tackle to score standing up from the five-yard line.

The touchdown was made against the Husky first team.
Later in the period, Sulkosky rammed through center for the third touchdown.

Trojans Win Opener 35-0 Under Wraps

OLYMPIC STADIUM, Los Angeles, Sept. 24—(AP)—With the new-found speed of a thoroughbred, the Trojan war horse of the University of Southern California today trampled under foot the University of Utah, 35 to 0.

Coach Ike Armstrong's team held the Trojans well at bay during the first quarter, and even threw something of a scare into them with a passing attack which carried the ball to Southern California's 20-yard line before the assault was stopped.

Irvine Warburton, a 148 pound quarterback from San Diego, Calif., was inserted into the lineup as the second period opened and the little ex-freshman promptly took Captain Frank Christensen's punt 30 yards through the Utes to their 29 yard line, making it possible for Dick Barber to score three plays later from the 4-yard line.

Southern California crossed the goal four times in the second half and could have worked even greater damage had not Troy's head man ruled otherwise. He kept sending substitutes into the fray during the last half and when the final gun was sounded, only one man burdened the bench.

TAYLOR LEADS GOLF TOURNEY

Holds Medal Honors so far In Salem Club Meet by Scoring Snappy 75

Bob Taylor, more or less of a dark horse in low-scoring golf circles at the Salem Golf club, seemed on the point of carrying off medalist honors in the President's cup tournament when he emerged with a 75 Saturday afternoon, the lowest score to date in the qualifying round. Qualifying play will continue today in this, the principal tournament of the year for club members, and flights for the match rounds will be made up Monday.

Previous to Taylor's three over par performance Saturday, Fred Ritner and Dr. A. D. Woodmansee were tied for low score at 76, with Walter Cline one stroke behind them and Walgren two.

Over 40 members had qualified up to Saturday night and a number of additional names were down on the score sheet with less than 18 holes recorded, indicating that the list of qualifiers would be the biggest of the year. It was expected that at least six flights would be necessary to accommodate all of the players. The championship flight will include 16 players and the others eight, according to present plans.

The Salem club's team was previously scheduled to play at Eugene today but will go next Sunday, October 2.

Following is the list of qualifiers and their scores up to late Saturday afternoon:
Bob Taylor, 75; A. D. Woodmansee, Fred Ritner, 76; Walter Cline, 77; Frank Lynch, P. Wallgren, 78; Don Hendrie, 80; Bill Bushe, John Hileman, 83; Ralph Kietling, Guy V. Smith, 83; D. W. Eyre, J. H. Willett, Fred Amuser, C. Walker, 85; Ted Chambers, Don Young, 86; Arthur Rabb, 89; Carl Armstrong, 90; Bern Zobel, 91; Homer Smith, Dan Brown, Wayne Loder, G. W. Johnson, A. R. Hunter, 92; Heitzel, Dr. Jensen, 93; Kuhns, C. J. McGinley, 94; Bob Alken, Jamieson, 95; Dr. B. F. Pound, 97; Gus Hixson, Otto Hartman, McKenzie, Ralph Curtis, 98; Merrill Ohling, 99; T. M. Barr, 100; Herb Shafer, 101.

INDIANS DROP TO FLU BUGS

CHEMAWA, Sept. 24—The football team lost a decision this week to old man "Flu." Several boys are down but not quite out. However it was deemed wise to stop to schedule any games this week in order to give time to those suffering to completely recover and regain their strength.
Those who are already recovering from it: L. Teehee, center; J. Walters, tackle; F. Doegagie, P. Emma, ends; H. Hoptowitz, guard; W. Cook, guard; M. Cook, fullback; L. Cimino, fullback; and Ray Meacham, fullback. R. Pratt is recovering from a slight-ly turned ankle sustained in the Lincoln contest. Other than the above and some swollen glands in Brunoce, tackle, the squad is in first class shape and by next week sometime, ready to play again.

The blocking, both line and open field, has noticeably improved this week. This partially accounts for the nice open field running of O. Olney, R. Thomas, and "Shire" Willis. These three backs are following their interference very closely now and if given any chance will certainly get away for scores.

A new lineman, Little White-man is showing up well at the tackle position. The rougher the game the better he likes it. Leonard John is improving greatly at guard and generally takes something down when he hits.

BOND NOTICES OF CITY MAILED OUT

CITY TREASURER C. O. RICE has finished mailing around 500 notices of Bancroft bond installments and interest which will fall due on October 1. The forthcoming payments, if all were collected, would amount to over \$28,000, he said.

Strong Showing at Reno Turns Spotlight on Tilt Against Willamette Soon

RENO, Nev., Sept. 24—(AP)—Snapping up breaks offered by two fumbles, the University of Nevada wolves slipped over a 12 to 7 victory in their opening football game against Oregon Normal of Monmouth here today.
The Wolves made two touchdowns in the final period after trailing seven to nothing most of the game.

Fumbles by the Oregonians paved the way for both Nevada touchdowns. Parsons drove over center for the first Wolf pack score and Hill slipped around left end for five yards and the winning touchdown two minutes before the game ended.

Oregon presented a tricky offense but tired before the finish. An eighteen yard run by Gordon on a sneak play gave the north-erners their touchdown in the second period and a pass to Phillips netted the extra point.

The teachers threatened the Nevada goal on several occasions but lacked the necessary punch. Long passes by Engebre-ten constituted a constant threat.

Oregon Normal's exceptionally strong showing against the University of Nevada eleven, focuses local interest upon Salem's opening collegiate football game scheduled for next Friday night, September 29, when Larry Wolf's boys come over from Monmouth to mix with Willamette.

Oregon Normal and Willamette have not met on the gridiron since the present coaches have been on the job at those institutions. Up to last year, perhaps, such a game would have been a walkaway for Willamette. This season the "dupe" is the other way, if there is any.

Now it is no secret that the most cordial of relations have not prevailed between these neighbor schools. For some reason, or for a variety of reasons, a number of former Willamette players are now enrolled under Wolf's banner at Monmouth. The list includes Roy Benjamin and Putz Arega from the 1931 Bearcat squad, Pete Gretsch and Harold McKenzie of Willamette teams farther back, and according to the dispatch from Reno, Bill Engebre-ten although he was not listed among those leaving here by plane Friday.

Whether all of these men will play here, is not known. Coach Wolf stated last year it was his practice, in playing Northwest conference schools, not to use players ineligible under the rules of that conference. This would bar Benjamin and Arega who are transfers, and Engebre-ten who has played four years of football.

In any case, Oregon Normal's showing against Nevada and Willamette's showing at Corvallis Saturday night, are fortuitous circumstances calculated to bring widespread notice to their impending clash here.
