

CHURCH EVENT GREAT SUCCESS

70 Years of Methodism at Dayton Honored; old Leaders Return

GRAND ISLAND, Sept. 26—A large attendance of people interested in the early Methodism of the Dayton circuit enjoyed the 70th anniversary program of the dedication of the Dayton Methodist Episcopal church building held Sunday at the Dayton church. The same church building though remodeled has served the Dayton community since 1862.

The services for the day were in charge of the local pastor, Rev. C. G. Morris, who when looking over the church records was inspired to plan such a homecoming and anniversary program.

Bishop Titus Lowe of Portland delivered an inspiring address during the morning worship hour. This is the first time since the dedication of the building 70 years ago by Bishop Mathew Simpson, that the church has been so honored by the presence of a bishop in its pulpit.

Following the morning service a fellowship dinner was served. During the dinner hour a very enjoyable time was spent in recalling the early history of the circuit, which at first included Dayton, Lafayette, Amity, Hopewell, McMinnville, Carlton, Ebenezer, Vaughns, Winters and Williamson's classes. The Rev. John Parsons who served the charge from 1884 to 1885 was present and gave some very interesting facts concerning the early history. He is the oldest living in time of service former pastor.

Marcy Holds Record

Of the 46 pastors who have served the Dayton circuit since the beginning of Methodism in this section in 1856, Dr. M. A. Marcy, former pastor and now superintendent of the Salem district holds the record for the largest number of years as pastor. He was pastor for six years from 1915 until 1921. It was during his pastorate that the Epworth League was organized. It was also during his years of service that the community hall was built adjoining the church building.

The oldest member of the church attending was Mrs. Emily J. Nichols of Dayton; Mrs. Nichols joined the church in November 1878 and has been a faithful worker in the church activities ever since.

160 at Dinner

Approximately 160 people participated and enjoyed the fellowship dinner together. Distant cities represented in this portion of the homecoming were North Bend, Portland, Salem, Newberg

and McMinnville.

In the afternoon the choir from the McMinnville Methodist Episcopal church gave a fine program under the direction of Claire Snyder. The Rev. Thomas Hardie, pastor of the McMinnville church gave a brief interesting talk on the "Service of the Church to its Community", and the value of good music in the church.

A special song service was enjoyed at the evening worship hour. Rev. R. E. Dunlap of North Bend, and a former pastor of 30 years ago, preached the evening sermon.

They are *not* present in Luckies... the mildest cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature

in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.
