

Budget Committee Compiling Figures

The citizens' budget committee appointed by the city council is working steadily at compiling in-

formation concerning needs of the various city departments. Chairman Douglas McKay reported yesterday. Separate committees are investigating each department, with the ways and means committee operating as a unifying body. A report from the committee is expected next week.

COUNTY SHARE OF AUTO FUNDS TOLD

Marion county is to receive \$68,272 as its third share of auto license receipts for the first three months of the 1932-1933 year, it was announced yesterday by Hal E. Hess, secretary of state. Total collections for the county for the three months period were \$212,862, the state first deducting the administrative expense of license issuance before making the distribution prescribed by law.

Total license fees received in the state for the sale of licenses to date are \$3,137,991. The motor transportation fund brought in \$146,821 the first three months and of this the counties will receive \$36,705. Of the total money received, \$1,320,684 or more than one-third, came from Multnomah county.

Mickey Mouse NOTES

Saturday morning at nine Be there for a good time—M.M.C.

I guess my mother was right when she said that I ought to be a poet—ahem. M.M.C.

The great art of poetry, which I have just expressed is just to remind those who have forgotten about Warner Bros-Oregon Statesman-Mickey Mouse club Pet parade and contest.

M.M.C. It will meet in front of The Oregon Statesman at 9 o'clock, and from there will proceed through town to the county court house, where the pets and costumes will be judged.

M.M.C.

Prizes will be given for the best all around dog, biggest dog, smallest dog, smallest pet other than dog, best decorated float or bicycle, quaintest dressed pet, best trained pet, best all around pet, cat with longest hair, most beautiful cat, best costume of boy, and best costume of girl.

Candy will be given to all participants.

AND romance is far from dead in politics. There may be little political news at times—and when there is a fall off it is a good one as far as news is concerned, but out of the quietness came an announcement last night which takes from the secretary of state's office one of its most popular employees.

Miss Margaret Davidson, stenographer and a very well-liked state employee, last night became the bride of Carl Noeske. Their engagement had been announced some time ago, but the wedding last night was more or less of a surprise. Noeske, the happy bridegroom, is an employee of the state highway department, located at Cannon Beach. The young couple will make their home there soon.

While news dispatches keep telling us the rains somewhere have ended the forest fires, Salem again last night experienced premature dusk by the heavy pall of smoke which hung low and long. Visibility was limited to several blocks only and lights were turned on very early. But even so Lynn Crommiller, state forester, feels greatly relieved.

This city will be overrun with smart men from the east and the northwest today. The Association of American Colleges will open its two-day ses-

FORD OPEN-AIR SALON

MARION SQUARE

Commercial & Marion Sts.

TODAY and SATURDAY

11 a. m. to 10 p. m.

YOU are cordially invited to attend a salon of the New Ford V-8. For the first time all fourteen of the new Ford body types will be on display here. You can inspect them conveniently, carefully and at your leisure.

One of the features of the show is that arrangements have been made for you to ride in and drive the cars if you wish. There is, of course, no obligation. We sincerely want every one to ride in this great new car and realize, first-hand, the thrill of its amazing performance. Don't miss this splendid opportunity.

A cutaway chassis is also on display. You can examine every working part, see how it functions, learn the care with which it is made and realize the simplicity and sturdiness of Ford construction.

There are talking pictures and special exhibits which show many of the new features.

Attendants will be on hand to give you any information you might wish about the cars, or the details of their construction.

If you phone your Ford dealer he'll gladly pick you up at your home or office and take you to the salon.

These tiny tender leaves of "spicy" Turkish tobaccos — and just enough of them!

Turkish tobacco sometimes runs hundreds of little leaves to the pound. In cigarettes it is used much as seasoning is in food, for flavor and better taste.

You know that seasoning has to be used right . . . just enough of it, not too much.

Chesterfield puts in just the right amount of Turkish tobacco—the best kinds—Xanthi, Cavalla, Smyrna and Samsoun. These are not merely blended, but cross-blended with ripe, mellow Domestic tobaccos.

Enough Turkish, not too much—that's one reason why Chesterfields taste better—why they have a delicacy of aroma you do not find in other cigarettes.

ENOUGH TURKISH BUT NOT TOO MUCH
