Birch Gives two Shows at University Spensored By Choir Group

Birch, well-known magician, is to give two entertainments on the Willamette university campus next Tuesday when he appears there under auspices of the Philharmonie choir. His first program will be at 3:30 p. m. and his second at 8 p. m. Reasonable admission rates for students and townseople are to be charged.

Professor Cameron Marshall, who secured Birch's dates here and knows him well, says the program Birch gives is of high quality and unusually interesting.

Included in the Birch repertoire are such illusions as the vanishing pony, in which a beautiful Shetland is caused to vanish while suspended in midair; the challenge packing box escape in which Birch will attempt to escape from a strong box constructed by a local lumber company; the beautiful silk mirage, said to be the finest silk production act ever devised; the canary and the Mazda lamp, in which a live canary is shot into a burning light bulb; and slicing a young lady into four separate
