

Staters Hold National Champs to Touchdown, Field Goal

Trojans Show Less Proveness

Pass Which Succeeds When Moe Slips Aids Toward 10 to 0 Grid Win

By PAUL ZIMMERMAN
OLYMPIC STADIUM, Los Angeles, Oct. 8 (AP)—Orville Mohler, University of Southern California's aeronautically minded quarterback, took the Beavers of Oregon State for a brief trip through the ozone here today and then cracked them up in a 10 to 0 forced landing.

Forty thousand persons watched the Trojan sky pilot enact his version of the experience of a few days ago when with Tay Brown, the passenger, he wrecked an airplane but managed to crawl out of the remains with his captain unscathed. The brief aerial trip which downed the determined Beavers came late in the second quarter when Mohler faded back to his forty yard line and turned loose with a pass of forty yards which Ford (Flivver) Palmer snared on the 22-yard line.

Harold Moe objected strenuously to the completion of the throw, but as he leaped with Palmer to block the play he lost footing and fell prone on the greensward. The Trojan wingman sauntered the 20 yards to score. That constituted the only touchdown when Ernie Smith placed a field goal from the 14-yard strip.

The victory enabled Southern California to keep its 1932 grid slate untarnished but there was the lurking fact behind the triumph that Coach Howard Jones' aggregation still is without the scoring punch in the shadow of the goals which was so much responsible for the winning of the Pacific coast conference title and the mythical National championship last year.

Oregon State presented a sturdy defense when its goal was threatened, but like the Trojans, was unable to summon up the necessary offensive measures needed to manufacture touchdowns.

The Trojans outgained their opponents almost two to one running up a total yardage of 308 against 171. They collected a dozen first downs to seven for the invaders.

Blancome was the best ball carrier for the invaders, passing well, punting occasionally, and running with the ball for a 5.2 yard average. In the Oregon State line Schwammel, Curtin and Keith Davis were outstanding.

Late Passing Attack Wins For Gonzaga

SPOKANE, Wash., Oct. 8 (AP)—A dazzling aerial attack that materialized in the last five minutes of play gave Gonzaga a 20 to 7 victory over the University of Idaho in a non-conference football game here today.

Nine thousand fans, including a thousand Idahoans, saw Gonzaga draw first blood and then lag until near the end before opening with the overhead drive that caught the Vandals flatfooted.

Carroll, first Gonzaga's half, dashed 42 yards behind perfect interference to score in the first period. A minute later, Krause attempted unsuccessfully to punt from Gonzaga's goal line and Moses recovered the blocked ball on the one foot line. Tyrrell, Idaho full, punched it across for a touchdown. Tyrrell also converted.

This was Idaho's only score. The Bulldogs took to the air in their own 25 yard line. Peterson, halfback, alternated passes to Cassette, Frazier and Krause, crashed over for the Bulldogs' second touchdown and a moment later converted with a place kick.

Gonzaga kicked and Willis "Little Giant" Smith, Idaho sub-quarter, returned the kick to his 12 yard line. Tyrrell attempted to pass and Krause intercepted it on the Idaho 31 yard line.

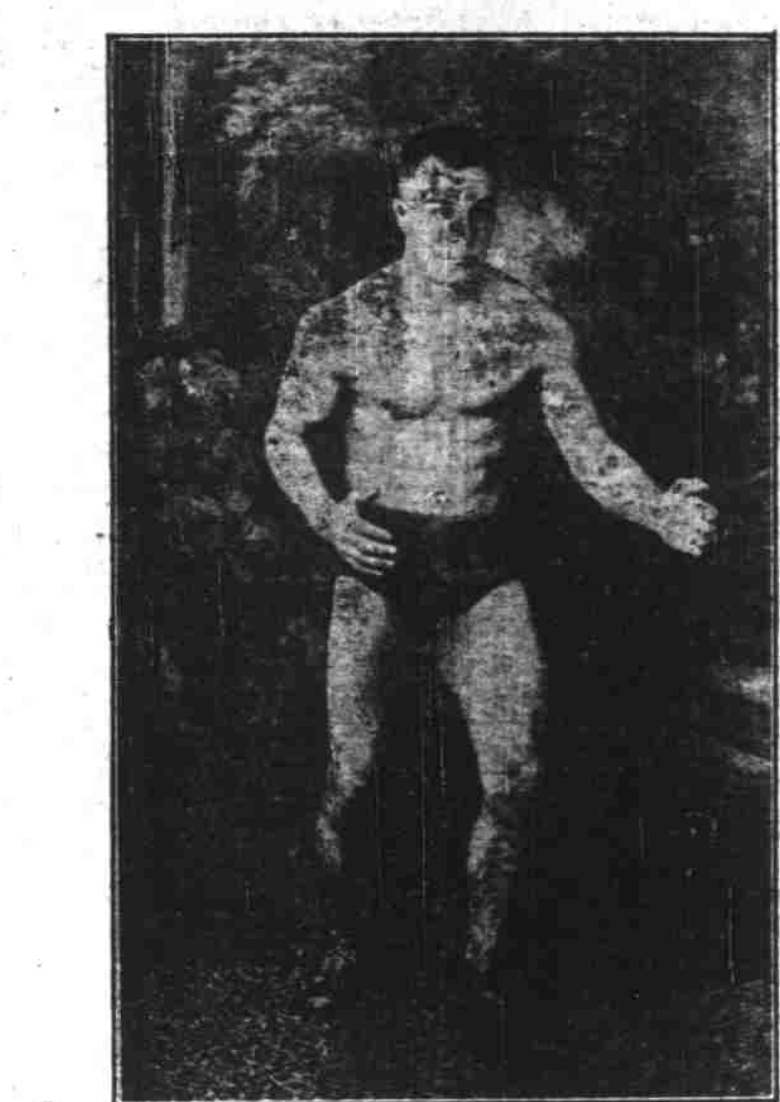

Two line backs gained eight yards and Gonzaga opened with passes again. On the Idaho 18 yard line, Peterson shot off right tackle and scooted across the goal line for the final touchdown. Krause again converted.

Spears' Eleven Shows Up Well

MADISON, Wis., Oct. 8 (AP)—Coupling a smooth running attack with a rugged defense, Wisconsin opened its Big Ten season under its new coach, Dr. Clarence Spears, with a 34 to 0 victory over Iowa today.

The badgers showed form that far eclipsed that seen in the opening game against Marquette a week ago.

SALEM'S NEW GRAPPLER

Meet Charlie Castro, who thinks Salem is a fine town and plans to make his home here; a matter of interest to wrestling fans because Charlie holds the Spanish welterweight grappling title and claims that no welter has ever defeated him. He'll make his local debut against Curly Woods next Tuesday night, and later hopes for a shot at Henry Jones and his 145-pound title.

CURT COMMENTS

Now, maybe, Paul Schissler will be welcomed home with pomp and parade, as the wonder coach who held Southern California to the lowest score of any Oregon team in years; and maybe the howl will start against Callison, because he didn't lick the tar out of Washington.

They tell us Washington was all hopped up and Oregon didn't seem to have any fire, which may mean that Santa Clara took a lot out of those Webfoet. Anyway, Phelan's scalp is safe for a week or so.

Willamette and Washington State are now even, each having won a game from the other. Hope all the boys get home in one piece.

Word comes that despite the improvements the White Sox lineup is going to have next spring. Billy Sullivan is slated to stay on first base and Lou Blum is the lad who will back up and go elsewhere. Billy's hitting was so superior and his fielding finally improved so much, that he'll team with Simmons, Dykes and Haas next year.

Queer occurrences are more frequent in golf than in any other sport. Yesterday our opponent hit one just out of the green on No. 6 at the Salem club. Then we strutted up there and smacked one just onto the green. And when we got up there, the two balls were touching each other. Ours crowded his over a bit and if such a thing were possible, they'd have been occupying the same spot.

TWO EXTRA BOUTS ON TUESDAY CARD

Two preliminaries, each scheduled to last an hour or less, have been added to the Charlie Castro-Carly Woods wrestling show at the armory Tuesday night.

Prof. Newton and Speed Welkum, who need no introduction either to the crowd or to each other, will mix in one of these special events and Cowboy Wilson and Tony Cordona in the other.

Castro, new resident of Salem, has been working out at the armory each night and attracting considerable interest among the fans.

Tulane Wins Out Over Georgia in Touchdown Duel

NEW ORLEANS, Oct. 8 (AP)—Tulane made it four straight over University of Georgia, 34 to 25, today before 15,000 persons as both teams employed the type of play that thrills the cash customers and gives football coaches gray hair.

Don Zimmerman, Tulane's flying Dutchman half, who passed, punted and ran his mates to victory, claimed the distinction of making the longest sprint for touchdown, 75 yards, but this performance was only slightly more spectacular than the 60 yard stepping of Sam Brown and Bill David for Georgia scores.

MONMOUTH, Oct. 8.—Oregon Normal Teachers got the long end of a 12-0 score this morning in its game with Linfield college. The Linfield lads played a strong defense and executed some snappy passes, holding the Normals down to a smaller score than seemed likely, because the Teachers actually had two more chances to score but lacked the punch. Chicago Ties Yale Eleven In Hard Tilt

YALE BOWL, New Haven, Conn., Oct. 8 (AP)—A perfect fleet, versatile Chicago backfield stars, Quarterback Vinson Sahlin and Halfback Pete Zimmer, harassed the sluggish Bull Dogs of Yale so persistently this bright, Indian summer afternoon, that the Maroon held the Blue to its second straight deadlock of the 1932 gridiron campaign. The final score was 7 to 7.

The two "pony" backs combined, in the second period, to complete a spectacular 44-yard pass, Zimmer to Sahlin, for the touchdown that enabled Chicago to offset the Eli tally by plunging Joe Crowley, made in the first quarter. They came within a couple of eyelashes of breaking the tie in the closing minutes of the game to gain a victory so eagerly sought for their 79-year-old coach and Yale alumnus, Amos Alonzo Stagg.

It looked like the winning touchdown for Chicago when Zimmer, in one of his dazzling returns of punts, twisted through the whole Eli team to cross the goal line near the end of the game on a 35-yard jaunt. The linesman, however, detected that one foot had stepped out of bounds on Yale's 13-yard line and the ball was called back.

Asel Eoff and Breyman Boise returned Friday night from the Steln mountain district, each with a large mule buck. They reported that General George A. White and Jerry Owen were in a party there which bagged some deer.

P. A. Thomas of Dallas and V. L. Muller, Jr., another Polk county nurod, are others from the middle Willamette valley who are reported as successful deer slayers.

Cougars Crush W. U. 30-0 But Bearcat Attack Looks Better; 10 First Downs

PULLMAN, Wash., Oct. 8.—(AP)—Washington State's Cougars trampled on Willamette University's football team, 30 to 0, in a non-conference football game here today. Coach O. E. Hollingbery held his regulars on the bench most of the game.

Howard Moe, chunky Cougar half, turned in a flock of pretty runs ranging from 20 to 30 yards. Twice he scored on 30-yard gallops. In the third quarter Washington State made two sustained marches in succession to score touchdowns. Five plays were good for 40 yards in one advance while the Cougars forged 58 yards to count in the second drive.

Willamette found its running attack clogged and turned to the air. Twenty-two passes were attempted by the visitors, with six completed for 18 yards. In the final quarter Willamette made a desperate aerial rally but it died on the Cougar 31-yard line.

George Sander, star Cougar passer, went into the game near the last and shot two passes that connected. A fumble on the eight-yard line ruined the touchdown threat.

For Willamette, Oravec, dimintutive but prove a sensation with flashes of open field running and several nice punt returns.

HOP TRADING LESS ACTIVE PAST WEEK

CORVALLIS, Ore., Oct. 8.—(AP)—With Oregon hop growers not inclined to sell freely at this time, trading in most producing sections was less active than a week ago, though markets continued steady to firmer, reflecting good domestic demand for the light offerings, it is stated in today's review of hop markets by the O.S.C. extension service cooperation with the U.S.D.A. bureau of agricultural economics.

Present prices get growers 15 to 20 cents per pound for 1932 new crop clusters, about a cent higher than at this time a year ago. These prices are not causing Oregon growers to sell freely, though in Washington and California there is much more rapid movement from growers' hands.

Trade estimates still place the Oregon crop at 65,000 to 68,000 bales, an about 20,000 bales under last year's crop. About two thirds of this year's crop is still held by growers.

California markets developed strength in the past week with growers getting prices unchanged to a cent higher than last.

Gael and Bear Battle to Tie

Each Scores Twice; Warner Men Humble Santa Clara Under 14 to 0 Score

MEMORIAL STADIUM, Berkeley, Calif., Oct. 8.—(AP)—In the wildest, most thrilling football scramble witnessed in this big bowl for many seasons, California's Bears and St. Mary's Gaels battled to a 12-12 tie today while 48,000 fans cheered them on.

Until the final gun barked to end the see-saw tussle for points, the issue was in doubt. A six point lead for the Gaels in the second quarter was evened up a few minutes later by the Bears. St. Mary's smashed over for another touchdown in the third period but California tied the count in the last quarter. Each time the try for point failed on blocked kicks.

STANFORD UNIVERSITY, Cal., Oct. 8.—(AP)—Stanford university rode the Santa Clara university Broncos up and down the field and took them over the touchdown hurdle twice to win 14 to 0 in their annual game here today.

Although Stanford kept the ball a large part of the time Santa Clara fought stubbornly, and half a dozen Cardinal scoring threats fizzled as passes fell short and fumbles threw the free wheeling red machine temporarily out of gear. The Cards climbed into the saddle in the first minute of the game as Fullback Jack Hillman scored a touchdown from the two yard line after Bates, Card center, recovered Joe Pagnias' blocked punt.

Tommy Lambert, Stanford right half, went over for a touchdown early in the fourth period, climaxing a 19 yard drive which began when Phil Baker, fullback, recovered a Santa Clara fumble.
