

Local News Briefs

Demos Talk Trip—Local democrats announced Wednesday that in case Franklin D. Roosevelt is elected president at the November election, they will ask him to keep a so-called lukewarm promise made upon his recent visit to Salem and Portland. At that time Roosevelt announced that "when he was elected he wanted the Salem drum corps to lead the inaugural procession." Even though Roosevelt is elected, officers of the drum corps are wondering how that would obtain sufficient money to make the trip to Washington.

CONFIDENCE LACK IS HAWLEY TOPIC

Congressman Tells Rotary His Views on Present World Conditions

Lack of confidence destroying the credit structure of the country was the description of the present condition of world and national affairs applied by Congressman W. C. Hawley in an address before Rotary club Wednesday. The fundamental cause goes back to the war and its dislocations. Man power was wiped out, debts piled up, countries dismembered. This finally culminated in troubles in Austria which had been bereft of its agricultural provinces. Germany's efforts to sustain Austria led to the impairment of their conditions, which in turn affected England which had extended generous credit to Germany and Austria. England's going off the gold standard resulted in dumping our securities held abroad on our market and withdrawal of our gold.

Prompt measures were taken, Congressman Hawley related, to stem the tide and hold the lines of business credit. Congress legislated, not by parties, but for the good of the whole country. It preserved the government's own credit by passing the bill for increased taxes. It bolstered banks, insurance companies, federal land banks—all in the interest of the millions of people who were depositors, borrowers, or policy holders.

Official Scores in Drum Corps Contest Announced

Capital post drum corps' ability with drums and bugles was largely responsible for its victory in the national finals competition at the American Legion convention in Portland last month, the official judges' ratings show. In both of these items, the Salem corps scored a good margin over the other 11 organizations. In marching and maneuvering, Salem was second, in cadence fourth and in inspection sixth.

The 100 points possible perfect score was divided into 15 for inspection, 10 for cadence, 35 for marching and maneuvering, 20 each for drums and bugles. Final scores were as follows:

HEART DISEASE IS TOPIC OF MEETING

Cutting down of tuberculosis and childhood diseases has left heart disease as the primary cause of death, Dr. Wesley Gatewood of Portland told the 35 physicians and surgeons attending the meeting of the Tri-County Medical association at the Masonic building Tuesday night. He then enumerated causes of heart disease, preventative and methods available to render the lives of persons afflicted with it more comfortable.

Dr. Hugh Dowd of Salem illustrated his discussion of congenital deformities with stereoptical slides.

In his report on tuberculosis in Marion county school children, Dr. Vernon A. Douglas, county health officer, reported that of 1087 pupils tested, 18 per cent show positive reactions and six per cent were found actually to be suffering from the disease and in need of special attention.

IDENTITY CHECKED ON SOLDIER GRAVES

The local camp of Sons of Veterans has issued an appeal to all persons who have soldier dead buried in any of the cemeteries here to help in a check-up, as identity of 12 or 14 of the graves has been lost.

Depravations made on the graves, presumably by boys, in pulling up and throwing away 12 or 14 markers has caused the situation, as identity of the graves was possible only through the presence of the markers placed. These markers have been destroyed since the last Memorial day service, and loss was just brought to attention of the camp.

Anyone having relatives or knowing of other old soldiers buried here should get in touch with E. L. Buchanan, commander of the local Sons of Veterans.

Importance of Credit Now in Business Told

Importance of use and misuse of credit granting in modern business cannot be overestimated, for in the final analysis success or failure of any business depends upon the good judgment of person or persons in charge of allowing credit. A. P. Spear, manager of the French shop here, told fellow members of the Salem Credit association in a brief talk at the luncheon meeting yesterday noon.

Cooperation between creditmen is an important part of credit safety, he declared. Spear quoted figures from his own business to show how careful handling of credit, in face of an advertised credit extension plan, has proven successful.

Young Democrats Gather Tomorrow Night, Organize

Final organization of the Young Democratic League of Marion county will be carried out at 8 o'clock tomorrow night in rooms 20-21, Ladd and Bush building, E. L. Crawford, temporary president, announced last night. Business will include adoption of a constitution and by-laws and election of permanent officers. The part the league will take in the present campaign will be discussed. Miss Leone Davidson is temporary secretary.

All young persons of democratic affiliation in the county are eligible to participate.

Scout Camp Earns Profit This Year, Reducing Deficit

The 1932 Cascade area Boy Scout camp, held in July and August at Camp Santiam above Medema, netted a \$77.95 profit. Executive O. P. West reported yesterday. This year's profit was applied to the 1931 camp deficit. Receipts from camp fees amounted to \$536 and profit from the camp store, to \$23.04, a total of \$609.04. Expenditures for camp supervision totaled \$27.59 and for food, transportation and supplies \$608.59, or a total of \$636.13.

Sixty-one boys attended camp, which was divided into three one-week periods.

ORCHESTRA GROUP TAKES NEW NAME

Philharmonic Society of Salem is Chosen; Reorganized

The organization which last year served as the Salem Symphony orchestra association held a reorganization meeting Tuesday night, electing new directors and officers and adopting as the name, Philharmonic Orchestra Society of Salem, Oregon. The orchestra is rehearsing weekly under the direction of Dr. Jacques Gerachkovitch of Portland, conductor of the Portland Junior Symphony orchestra. The first concert of the season will be presented next month.

The change of name was made because Dr. R. W. Hans Seitz, who had been the conductor for the orchestra sponsored by the group last year, filed to retain the name of Salem Symphony orchestra for the orchestra he is training this year.

Directors Listed
The members of the board of directors elected Tuesday night are: Mrs. George Allen, Mrs. W. E. Anderson, Leon Barrick, Althea Cray Brown, C. P. Bishop, Fred Broer, H. V. Compton, Raymond Carl, Dr. C. A. Downs, Mrs. Walter Denton, Mrs. Elsa Ebsen, Walter Jenks, Mrs. C. J. Jensen, Mrs. J. R. Jelderks, C. A. Kells, Mrs. Roy Klein, Mrs. Percy Kelly, Mrs. W. H. Lytle, T. A. Livsey, Mrs. R. J. B. Schmidt, Miss Mary Schoettle, Rev. H. C. Stover, Edward Tillson and Rev. F. A. Weil.

The board elected the following officers: C. A. Sprague, president; W. T. Jenks, first vice-president; Fred E. Broer, secretary and vice-president; T. A. Livsey, third vice-president; C. A. Kells, secretary; Henry Compton.

TUITION WORRYING SCHOOL OFFICIALS

Questions of Collection, Interest, new Levies Causing Delays

County officials and school clerks and boards are as yet at a loss to know how to proceed with the readjustments made necessary by the state supreme court's recent decision on the high school tuition law.

The official mandamus of the court has not come to circuit court here where the Wehnacht vs. Bower suit began. Pending its arrival the sheriff's office cannot rewrite all the high school tuition taxes assessed for 1931. Neither can the county school officers arrange the distribution of funds to the various school districts.

DEMOLAY INSTALLS OFFICERS TONIGHT

Chemeketa chapter, order of Demolay, will hold its regular meeting in Masonic temple at 8 o'clock tonight at which new officers will be installed. The installation ceremony will be presided by a business session at 7:30 o'clock. All master Masons and friends of the chapter are invited to attend the ceremonial.

Officers to be inducted are: Howard Mills, master counselor; Charles Emerick, senior counselor; James Sehon, treasurer; Byron Payton, scribe; Fred Matzels, senior deacon; Fred Ponder, junior deacon; Maurice Winters, senior steward; Phillip Gille, junior steward; Waldo Mills, chaplain; Marice Saffron, marshal; Robert Wintermute, sentinel; Cary Martin Jr., standard bearer; Vernon McQuaid, orator, and Harry Mohr, almoner.

Brush Creek is Closed to All Hunting, Said

The entire Brush Creek school district, in the Silverton country, has been closed to hunting this year, W. R. Newmyer, field man for the Portland General Electric company, learned while on company business in that section yesterday.

The large area extends to Silverton on the east, adding river on the west and Silver creek on the north.

Trade In Your Worn Tires for Safe Gripping Non-Skid Firestone Tires Now

LIBERAL trade-in allowance—now—on all Firestone High Speed and Heavy Duty Tires!

Why take a chance on worn, smooth, uncertain tires when you can buy Firestone non-skid safe, proven tires at lowest prices.

Firestone Tires are designed to grip the road. The non-skid tread is thick, tough and gives 25% longer non-skid safety.

Glen Schultz only last month set a new world's record in climbing Pike's Peak, in 16 min. 47 sec. His top speed was 78 miles per hour—negotiating many hair-raising turns where a skid or a tire failure meant death.

It's that kind of stamina that makes Firestone Tires safe and economical for you.

That's why race drivers use Firestone Tires. They won't risk their lives on any other make.

No tire in the world has the Firestone endurance. That is because Gum-Dipping, the patented Firestone process, transforms the cotton cords into tough, sinewy units. It means that the liquid rubber penetrates every cord and coats every fiber, assuring protection against internal heat. Two Extra Gum-Dipped Cord Plies under the Tread, give 56% stronger bond between tread and cord body.

Don't buy cheap tires that are only made to sell. Don't risk your life on wet, slippery pavements these October days—Use the same precaution race drivers use. Trade in your old tires—We will give you a liberal allowance on Firestone Tires—the safest tires in the world.
