WEEK IS OBSERVED Central Howell Pupils Hear Helpful Talks by Lansing and Taylor

FIRE PREVENTION

CENTRAL HOWELL, Oct. 18. -Fire prevention weak was obgrades Monday morning. Several talks on fire prevention and first ald were given by members of the seventh and eighth grades. An original play was given by the fifth and sixth grades.

Special features of the program were talks by Officer Lansing of the state police on prevention of accidents in traffic, and by Mr. Taylor of the state fire marshal's office about fire hazards. One of the features of the sys-

tem of teaching which Mrs. Sehon is introducing here includes an hour and a half period on Monday mornings devoted to the study of Albert B. Weigel, domestic trade ioner of the Los Angeles chamber of commerce, who will come to Salem Mon-day to work on a business surhygiene, in which all the upper grades take part, this work takvey of Oregon for increasing ing the place of the regular 15the volume of business between minute period each day.
