

Bruin Coach is Confident, Portlanders Favor Webfoots

TEAMS READY FOR CONTEST

Callison Silent; Starting Tentative Lineup for Oregon Announced

PORTLAND, Oct. 14—(AP)—The U. C. L. A. Bruins from Los Angeles and the Oregon university Webfoots from Eugene descended upon Portland today, sized up the field where they will clash tomorrow afternoon, then retired to rest until the opening whistle sends them into their Pacific coast conference game at the Portland civic stadium.

Although several of his men recently suffered light attacks of influenza, Coach Bill Spaulding said today they are now in fine shape and he was not hesitant in predicting his Bruins would have the long end of the score with them when they returned south.

Coach Prink Callison was making no predictions for his Webfoots, but local fans were favoring the Eugene team. Mike Mikulak, the 210-pound fullback who showed well against both Washington and Santa Clara is scheduled to view the game from the Oregon bench, an injured knee keeping him out of the lineup.

Stan Kostka, plunging halfback who was out of the Washington game with a bad shoulder, is also missing from the starting lineup as given out tonight by Coach Callison. The coach said he might see service, however, if he is needed.

Callison announced the following tentative lineup:

Belley, le; Morgan, lt; Frye, lg; Hughes, c; Clark, rg; Nilsson, rt; Wishard, rg; Bowerman, q; Temple, lb; Gee, rb; Morse, f.

The game will be played for the benefit of the Shrine hospital at Portland.

SILVERTON BEATS MOLALLA GRIDMEN

Fans Rate Bears 2 to 1 for Game With WSC Today

SILVERTON, Oct. 14—Silverton high won its first league football game of the season here today, defeating Molalla high 20 to 0. Alphe Rudschauer, Silverton halfback, scored all three of the touchdowns, one in the first period, one in the third and one in the fourth.

After the Silver Foxes had scored three times, Coach Davis used a number of substitutes, all of whom held their own against the Molalla attack.

Kohn converted the extra point on the first touchdown with a line plunge, and Pettijohn took a pass for the point after the third score.

Seniors Defend Dignity as Soph Game Won, 7-6

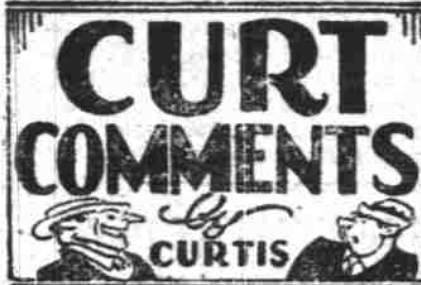

CHEMAMA, Oct. 14—In an inter-class football game the strong sophomore team met their Waterloo in the seniors. The seniors previously beaten 30 to 0 by the freshmen decided they had been walked over enough and so rose up to protect their dignity by winning the game by the scant margin of 7-6.

The game started with a score in the first period by the sophomores and looked like another track meet was on. But the seniors finally rallied in time to save further scores, and after many desperate passes and hard runs were able to cross the final stripe and kick for extra point.

Real Battles Begin Today With Brisk Fights Likely On Major Football Fronts

CURTIS COMMENTS

In order not to embarrass a certain young man we will mention no names; but the other day we saw something that almost knocked our eyes out. This young man has already shown promise of being quite a football totter, but is not playing on any team this year. And what do you suppose we caught him doing?

With no coach urging him on and just a couple of young fellows who have no football aspirations working with him, he was practicing football. Running with the ball, sidestepping, throwing a pass, kicking—all the tests that will get him into the limelight some day?

Nope, he wasn't doing a thing but blocking. Stationed one yard out there for defense, and this young fellow went out and blocked for the other fellow. Blow us down, if that youngster doesn't get places some day, there's no justice.

Today may be the day for little old Whitman to bite the dust. Of course, Man Hank took one on the chin last year from an inspired College of Idaho team, but squeezed through to the championship anyway. College of Idaho lost to Albany last year; the tail end team beat the outfit that beat the champions, proving that anything may happen in this Northwest conference.

But today Roy Sandberg's big College of Puget Sound team will move into Walla Walla. We are told that Sandberg has five new Loggers this year who played for him at other institutions, and a line as big as Oregon's or Washington's. He has a number of backfield veterans, but also seven freshmen who are said to be better.

Furthermore we note in the dispatches from Forest Grove, that several of the Pacific boys were disabled in their game with College of Puget Sound, which may mean that Sandberg's boys are not the kind to turn the other cheek. Of course those may have been pure accidents.

All this is of immediate interest to Walla Walla today, but it will come to Salem's attention in due time, for the Loggers are coming here two weeks from today.

Next Friday night comes Albany, and will those Pirates be tough? They have already shown a lot by holding Whitman to two touchdowns, but at that time their offense was not so hot. Now, we hear, that is likely to be attended to by the return of Buchanan, the "shot" of last season and two previous autumns. He's a whole football team by himself.

For the sake of the University of Oregon, for which we have an Oregon citizen's fondness despite its numerous faults we are glad that the spirit of over-confidence which preceded its last week's game with Washington, appears not to extend to those Bruins the webfoot will meet today.

The other day we said Oregon had "irrevocably" this season sacrificed speed to power—meaning the use of both Mikulak and Kostka in the backfield. Maybe today Prink Callison will cross us with Mikulak declared definitely "out" and Kostka still far from top condition, Prink may spring something—that freshman backfield of a year ago.

We may be either probably or possibly funny, but cannot hope to be one per cent as funny as Sips would look being pursued by a levy of chorus girls—or as the girls would look pursuing Sips.

S. H. S. Golfers Meet Corvallis

Salem high school's golf team will meet an invading squad from Willamette high today on the Salem Golf club course. The Salem group, minus the services of Walter Clime, Jr., at the time, defeated Corvallis 8 points to 4 in their first encounter of the season, at Corvallis last weekend. Clinton Vincent, George McLeod, Win Needham and Dick Pierce competed for Salem in that occasion. McLeod is transfer from Astoria high and played on the team there last spring.

'Big Game' of Season There Brings Together Teams Not yet Defeated

By ALAN GOULD
NEW YORK, Oct. 14—(AP)—College football, having completed most of its shadow-boxing and bag-punching, comes out into the open tomorrow for a series of brisk hand-to-hand fights along the major fronts.

The major-Pitt contest and Pennsylvania-Dartmouth engagement, which should attract upwards of 50,000 to Franklin field, test the title claims of four of the east's major undefeated eleven. Harvard should have no trouble with Penn State and Colgate figures to outscore Lafayette. Gil Dobie, meanwhile, has recovered sufficiently to direct Cornell's first real test, against the recuperating Princeton tiger, in what should be a closely-fought affair.

Michigan and Ohio State football the big ten championship spotlight with Wisconsin-Purdue. All four are unbeaten so far. Ohio State, tied by Indiana, will turn on the "big four" in the Ohio quarterback can duplicate his sensational romp through the Wolverines last year. Michigan's defeat would be an upset, however, on the basis of performance. Purdue may hold a slight edge over Wisconsin but this game looks like a tossup.

The "big four" in the southern conference race likewise come together, head-on, in a brace of games which should go far toward settling the title prospects. Rarely do such scoring power-houses as Tulane and Vanderbilt, Tennessee and Alabama, have so early an opportunity to open the climax valves.

Drastic measures have been applied to revive Kansas and Missouri, in the Big Six conference, but they do not seem sufficiently strong to stop Iowa State and Kansas State, respectively. Nebraska, the conference champion, tackled Minnesota.

Scoreless so far this season, Southern Methodist, 1931 championship team in the southwest, has gone a long way off in search of a come-back against Syracuse university.

Oregon Normal Squad Departs For Chico Game

MONMOUTH, Oct. 14—Coach Larry Wolfe left Salem this morning by train, with his Oregon normal football squad, for Chico, Cal., where they will meet Chico State's eleven in a grid battle Saturday afternoon. Wolfe took a victory from Chico in 1931.

His tentative lineup included: Gene Gordon and Squires; tackles, Cannon and Gustafson; halves, Gretsch and Edwards, center, Harp; quarter, White; fullback, Scroggins; guards, Wedin and McKenzie.

The Teachers' 1932 record to date is: lost first game of season to University of Nevada at Reno, September 24, score 7-0; won night game September 30 from Willamette university at Salem, score 6-0. Won game last Saturday at Monmouth from Linfield college, score 12-0.

The "big game" of the current football season for central Oregon, will be played at Bend this afternoon with Salem's undefeated eleven meeting the equally successful Lava Bears of Bend high.

Facing the severe handicaps of a long trip and high altitude, Coach Hollis Huntington's red and black clad gridmen nevertheless will enter the contest in good condition and in the proper spirit.

The squad, 20 strong, left here early Friday and planned to work out on Bend's gridiron that afternoon so as to get the feel of the volcanic ash footing and the rarefied atmosphere.

It will be the first football meeting of these two schools, each of which has for years had the outstanding team in its own section of the state.

Oregon City And Indians Clash Today

CHEWAMA, Oct. 14—Oregon City high school is slated to appear on the Chemawa gridiron, Saturday, at 2:30 o'clock for the most important game in this vicinity.

Both teams have either won or tied their contests so far this season. Oregon City tied in their first game with Commerce high school of Portland and then went ahead to beat Beaverton. Chemawa won from Lincoln high of Portland and won from the Linfield reserves besides helping the "all stars" to hold the strong Lamont Normal team to an 18-18 tie.

Taking the above into consideration it looks as though the teams will be well matched although the latter is known as the Oregon City type of offense thus the Chemawa defense will have to be worked out as the game progresses. The Oregon City coach and members of the team saw the Chemawa Lincoln game and have an idea of the Indian style of play.

The probable lineup: Vivette le, Brunal lt, John lg, Tee Hee c, Baker rg, Walters rt, Emmons re, Olsen qb, Meacham fb, Thomas rb, Churchill lh.

Wiles, Franz Will Grapple On Tuesday

Chat Wiles, who several weeks ago made it a special point to rid Salem wrestling fans of the idea they once held that he wasn't a real grappler, will come back again next Tuesday night, Matchmaker Harry Plant announces.

Wiles' last opponent was Charley Myers of Tillamook, contender for the world middleweight title, and he was a little too much for the wrestling cop, who nevertheless showed that he could make it interesting for anybody.

This time Wiles may not face quite such tough opposition, but it will not be weak either. His opponent is Sailor Franz, champion of the navy at his weight. Franz made a notable showing in Portland this week, and Plant declares he is the type of wrestler who will please the fans here.

Tony Cordona, the "cannibal," will be on hand again and will meet an adversary who delights in the "nothing barred" tactics which seem to be Cordona's school here and a daughter attending high school at Aumsville. The Brownings looked at real estate in nearly every part of the state before settling here.

The first meeting of the Growers club was held at the office Wednesday night. Reports on the Harvest Festival showed that a small profit was made. The club decided to continue meeting at the office. LESLIE-UPSETS DOPE AND WINS

Defeats Oregon City 21-0 Much to Surprise of Mentor Flesher

Completely upsetting predictions the Leslie junior high school football team outplayed Oregon City junior high gridmen Friday afternoon at Oregon City and brought home a victory, 21 to 0.

Coach Gurnee Flesher of Leslie, who had predicted the utter rout of his team before starting for Oregon City, reported on his return that the Oregon City team was not as strong as it was last year, but at the same time gave his boys credit for playing much better ball than he thought was possible.

Every man on the squad of 20 got into the game and all did so well that Flesher had difficulty in singling out any who were a little better than the rest. The coach mentioned that Wallace at tackle and both of the starting ends, Foster and Gugurich, showed exceptional promise along with Brown and Osland, the halfbacks.

Foster scored the first touchdown, Curry, fullback, the second, and Staples, the lone veteran at quarterback, the third.

BONUS COMMISSION TOLD OF SITUATION

Concentration on collections of loan delinquencies resulting from the operations of the world war veterans' state aid commission, was stressed by Jerrold Owen, secretary, at a meeting of the commission held Friday. Owen reported that these delinquencies had almost tripled during the past three years.

A summary prepared by Owen showed that the number of delinquent loans in 1930 totaled 906, as compared with 1367 delinquencies in 1931 and 2422 this year. The increase was 197 per cent. The number of properties administered by the commission increased from 708 to 1034, or approximately 53 per cent.

Owen reported that while the commission suspended the making of new loans on October 1, the activities of his department had increased materially with the result that it would not be possible to reduce his working personnel. The report also showed a marked reduction in salaries and operating expenses during the past two years of the present administration.

There were 13,013 loans in force at the time of the suspension order October 1, as compared with 12,079 in 1930, or an increase of 7.7 per cent.

The report showed a reduction of operating expenses of approximately 29.5 per cent. In 1930 the operating costs were \$118,424 as compared with \$83,412 this year. The payroll was reduced from \$41,046 to \$38,337, or 6.6 per cent.

Program for the Capital Post American Legion Armistice day celebration next month will be similar to that of last year, according to Chairman J. T. DeLaney. Profits according to the post, however, will be spent for ex-service men's relief instead of placed in the main post fund.
