

WATER METERS SAID TAMPERED

Complaint Made to City Council; Citizen Budget Committee Named

WOODBURN, Oct. 19.—At the regular meeting of the city council Tuesday night Tony and George Becker complained that the city had overcharged them for water and refused to pay the bills. The water commissioner in reading their meters discovered that they were not registering and upon examination found that a small gear connecting the dial staff had been taken off, thus leaving the meters not registering. The water board assessed the Beckers on a basis of three months previous readings, which they refused to pay. The council appointed on the budget committee George Landon, Keith Powell, Ray Glat and Thomas Sims, one more to be appointed later. The budget meeting was set for November 10. There was some discussion regarding a letter to Mayor Broyles

P. T. A. YEAR GETS EXCELLENT START

Dayton Group to Sponsor Scout Troop; Budget for Year is Talked

STAYTON, Oct. 19.—If the attendance at the P. T. A. meeting was indicative of interest taken in the association here, the coming year should indeed be a worthwhile one for the organization. Every seat in the large high school auditorium was taken and many were sitting two in a seat. A motion carried that the P. T. A. sponsor the local Boy Scout troop. The president will later appoint a committee to work with the leaders of the scouts. The budget prepared by the executive committee was then read, which was as follows: Milk for grade school pupils for nine months, \$45; repairing gym floor, \$10; basketball, \$12.50; hot lunch dish for three coldest months, \$15; repairing lunch room, \$2.50; two copies of Child Life magazine, \$4; teeter, rings and bars for playground, \$10, making a total of \$108.
