

School is Bolted As Youth Gives in To Wandering Urge

TURNER, Oct. 20—Carl Bernard who entered high school a month ago made his home with W. C. Duncan.
As Mr. Duncan entered his room Thursday morning to call him, only a note was found saying "On to California." Wandering coupled with a desire to see his relatives, in all probability was responsible for the move.

CLEOPATRA'S IDEAS
PARIS—(AP)—"Cleopatra corsets" embodied in the design of 1932 dancing frocks caused a stir during the recent winter style shows.

RECIPES

Coke Company

Tomato Catsup
1/2 peck tomatoes
3 red peppers
2 medium size onions, cut fine
2 tablespoons salt
1/2 cup sugar
2 cups vinegar
2 teaspoons celery salt
2 teaspoons ground mustard
1 tablespoon whole allspice
1 tablespoon each—cloves, cinnamon, paprika.

Cook tomatoes, peppers, onions together without adding water. Press mixture through strainer and measure pulp. To 4 quarts pulp add the salt, sugar and spices. Place whole spices in a bag during the cooking and remove bag before pouring the catsup into jars. Ground spices except paprika will darken catsup. Long slow cooking

also gives a dark color. Cook ingredients together except vinegar, rapidly for 1 hour, add vinegar and cook mixture until it is thick. Seal in clean, hot jars. It should be bright red in color.

Boiling Water Pie Crust
1 cup shortening
1/2 cup boiling water
3 cups flour
1 teaspoon salt
Beat the shortening and hot water to a cream by adding a little of the water at a time. Then stir in the flour which has been sifted

with the salt. Use enough flour to cause the mixture to clean the bowl. This dough must then be placed in refrigerator and thoroughly chilled before it can be used. It will keep very nicely for a week or 10 days and can be used when desired. Bake in 450 degree oven for 10 minutes. To store—roll in waxed paper.

WE NOTICE THAT CHAIN STORES have raised their prices already. We have not. Raise in wholesale prices has been too small to warrant changing of retail price. 665,000 traveling salesmen alone are out of work . . . who spent annually \$2,650,000.00. Millions of dollars, why . . . because chain stores don't buy through them. This loss affects the farmer, groceryman, butcher, hotelman, railroads and many of the rest of us.

Well? Well? Folks

this is real Gratifying meatin you
folks again

tho its-with considerable trepidation we address you folks today, there are a lot of things we'd like to say to you, but as we stand here and gaze upon this vast sea of faces it makes us shudder to think of the thoughts that you must have — so many people come here today heart sick and foot sore, (which reminds us we've got to get us a pair of shoes with better bottoms on em). Now before we proceed further with the problems confronting all of us today, may we just relate a little of our earley experience to give you a kind of a background to the picture. We were born and raised on a farm as all great men were of course, and you might say we grew up between two rows of corn—whozat mister? A Jack of all trades you say, well thats different, we thought you said somethin else. On second thought folks, it appears we'd better stop relatn our past experience as there might be a few questions asked and you know how it is, theres nothin to be ashamed of. Its just that we dont like to be questioned, thats all. Now folks as we've painted such a beautiful picture of our earley history and as all of you will admit we're a speaker and writer of no mean ability. Now that remark was uncalled for. Some body just said, yeah, no ability is what we should have said. Now as we adjourn and as soon as the applaudin is over we wanta take this opportunity to invite one and all of you to visit us at our stores, as has been said so many times before, the store for home folks. You all know the one where prices are always lowand folks all like because theyre always treated so nicely an everthing.

Crescent Baking Powder **Full Pounds 19c**

Many western housewives are using Crescent Baking Powder, not just because it's made in the west (while that in itself is a very good reason) we suspect mostly because it's one of the best of its kind. Oh, yes, almost forgot to mention you get a 15c bottle of Pure Vanilla Fr. with each can. Jumpin' Jupiter that makes the Baking Powder cost you lessen a nickle.

Peet Bros. **Granulated Soap 23 oz. pkg. 10c**

Full 23 ounce package. Now folks the price we're about to quote is so low it might appear we didn't think much of the quality but it's quite the opsite we think it one of the best if not the best soap value we ever offered our customers and that is saying a lot.
