He said the republican prohibition plan "was not intended to

mean anything. "It was written," he said, "so any candidate in any congressional district can say 'Oh, I'm not

bound by that platform'.' He said this made it easy for republican candidates to receive the support of the "aggregation of bigots that make up the dry

forces. "The result of it all has been just this," he continued, "the democratic plank has put the democrats in the bright lights and the republicans are left, the party of bigotry, deceit and hypocrisy."

Grain Growers Back Scheme to Limit Planting

SPOKANE, Oct. 24 - (AP) -Directors of North Pacific Grain Growers Inc., at a special meeting here today, predicted that northwestern wheat men would support the proposed acreage allotment plan for curtailing production.

The directors were called by President A. R. Shumway of Milton, Ore., to discuss the proposed sale of 15,000,000 bushels of wheat to the Chinese government, but none would comment on the board's deliberations on this subject.

The wheat allotment plan is embodied in a bill pending in congress.
