

BUS BILL DEBATE SLATED AT DALLAS

Decided Swing to Hoover Noted in Polk County in Past Two Weeks

DALLAS, Oct. 27.—Chamber of commerce members and all other interested persons are invited to attend a dinner at the Presbyterian church Wednesday night, November 2, when speakers will be presented giving both sides of the so-called bus bill. Oswald West will be the speaker favoring the bill, and someone from the office of the Allied Truck Owners, who are opposing the bill, will present the other side.

This will be the second public meeting sponsored by the chamber of commerce when speakers will have presented both sides of the measure to be voted upon at the November election. Last Friday night the school consolidation bill was discussed.

Politics continues to be the main topic of discussion on the streets, with perhaps a slight edge favoring those already in office, the main content being for the offices of county clerk and sheriff.

The present county clerk, Hugh G. Black, a democrat, is opposed by Carl Graves, republican, while the present sheriff, J. W. Walker, is opposed by R. H. Walker, democrat. As the national campaign progresses a tendency to shift to Hoover is indicated by those who a month or two weeks ago were boosting Roosevelt.
