Announces...

A tremendous slash in prices on fine diamonds, watches and jewelry; the largest in the history of our business career in Salem.

THIS IS NOT SALE MERCHANDISE, BUT IS FROM OUR REGULAR NATIONALLY KNOWN ADVERTISED STOCK

Our entire stock of loose diamonds are now mounted in the latest mountings. We invite you to visit our store and inspect these gems. Every diamond ring will be sold by actual comparison in price with any other store in this country—every diamond ring in our store has been reduced in price at least half—for this reason we know our prices are the lowest in history.

How about a wrist watch? Permit us to repeat, all American watches, Elgin, Waltham and Illinois have been reduced in price one half.

Why not inspect our unusual values in flat and hollow silver. Prices will never be lower.

Our loss will be tremendous, but we must have the money. Read every line of this announcement, then come to our store and save as never before in the history of our business career.

Our advice—shop early for some of these unheard of values, as some of the quantities are limited. You do not need all the money, a cash deposit will secure your purchase—pay the balance later.

We suggest now is an opportune time to do your Christmas buying—buying good jewelry that you can inspect and know just what you are purchasing, and at a big saving in price.
