INDEPENDENCE, Oct. 27.—The chamber of commerce met for the first time since the summer vacation for a business meeting and dinner in the basement of the Presbyterian church this week. President Gaylor Godfrey presided. Merle Elbe reported the corn show plans to be coming on satisfactorily, and Mr. Hart reported that the Boy Scouts were in need of a scoutmaster, due to the resignation of E. A. Dunnekel.

The most important business of the meeting was brought up by Dean Walker, a discussion of the school moving bill. Discussions proved to be very much against the bill, so much so that the chamber of commerce voted a fund to help fight the bill which would be so harmful to this community.

Delightful entertaining both before and after the Subscription club dance will be one of the gala features of this first dance of the season for this smart club. The dance is so informal and therefore formality will mark the entertainment.

Several affairs are being planned and one that is materialized is the charming 40 cover "Italian dinner" for which Mr. and Mrs. Chester Cox and Mr. and Mrs. Lynn Smith will be hosts at the Lynn Smith home before the dance. TRINDLE APPEALS WATER BOND CASE

City Attorney William H. Trindle yesterday took immediate action to push the city's last case on \$2,500,000 water bond have through the courts in an effort to get an early decision on the charter amendment's validity.

Trindle took action by asking Judge L. S. Lewelling to permit him to withdraw the city's second amended complaint filed here some time ago in connection with the test suit brought against the Oregon-Washington Water Service company.

Trindle then filed notice that he would appeal on the demurrer given by Lewelling to the defendant when the first complaint was filed.

This brings the matter before the state supreme court. Judge Lewelling held the city's complaint did not constitute facts which would make a suit. The supreme court may uphold the demurrer and if so the pending test case dies. If the court overrules the demurrer it may then hear the case on its merits.
