

# Uclan Bruins Paw Indians 13 to 6

## BLOCKED PONTS BRING BEATING

Stanford Gets Touchdown In First Gun's Crack Spoils Near Second

By PAUL ZIMMERMAN  
OLYMPIC STADIUM, Los Angeles, Oct. 29.—(AP)—An active young Bruin football team from the University of California at Los Angeles stuck an impudent paw in Stanford's grid "pie" here today by winning a wild contest from the Indians 13 to 6 before 55,000 riotous persons.

The two blocked punts by Verdi Boyer, a sophomore guard, were the weapons of offense which turned Coach Glenn "Pop" Warner's razzle-dazzle crew back for its second consecutive trouncing at the hands of a team from the southern section of the state. University of Southern California turned the trick a week ago 13 to 0. The score was a far cry from the 82 to 0 triumph Stanford collected in the opening game back in 1925.

The Indians marched down to the Bruin 5 yard line on a succession of dazzling spinners and reverses which swept the Uclan off their feet shortly after the game opened. Then Stanley Anderson tried a pass and the alert Walter Clark intercepted to return the ball to his own 32 yard line.

Livsey Gets Fumble Giving Indians Goal

Ransom "Pants" Livsey fumbled on the first play with George Grey recovering. Jack Hillman, big hard-driving full back and Bill Sim, marched down to the nine yard line in three plays and Sim cut through left guard to score for Stanford. Tom Rafferty rushed through to block the kick for point.

A long punt by Bobby Decker in the second period put Stanford in the hole on its 13 yard line. Palling of first down Anderson went back to punt, with 15 seconds of the first half remaining.

Boyer jumped through and blocked the kick and while the dismayed Indians looked on, Bob McHenry rushed in and picked it up on the eight yard line to go over for a touchdown. John Fletcher's kick was low and the score was deadlocked.

The half-time gun roared before the try for point.

Indians Fall to

Climb Out of Hole  
At the third period rounded to a close the Bruins broke loose again, with Frankovich tossing a sharp pass over the center of the line to Bill Maxwell, who was smothered on the nine yard line. Again the sturdy Stanford line held and Frankovich attempted a place kick from his 3 yard line but the ball was inches wide of the goal posts. The Indians' plays couldn't get them out of the hole and a 15 yard penalty for holding set them back to the 7 yard line.

Anderson moved back in punt formation and the Bruin fans sent up a roaring plea for a blocked kick. Boyer rushed in to turn the trick and McGue recovered on the seven yard line. Keeble crashed to within one-half yard of a touchdown and Clark cut the ball across, slipping through the center of the line. Frankovich made the extra point sure with a place kick.

## Badger Squad Plays Tricks On Wildcats

FOREST GROVE, Ore., Oct. 29.—(AP)—The Pacific university Badgers unleashed an attack of punting tricks played on the Linfield Wildcats, 19 to 7, in their Northwest conference football game here today.

After a scoreless first period, Pacific ushered in the second frame with an aerial attack. Critchfield passed to Kilgus, for a net gain of 52 yards and a touchdown. Later in the same period Weingel broke loose in a line play and ran 25 yards to score.

Weingel again shook himself loose from Wildcat tacklers in the third period and scored after a Critchfield pass. The try for point was good.

## WHITMAN SCORES ON HUSKY ELEVEN

WASHINGTON STADIUM, Seattle, Oct. 29.—(AP)—A small band of gridiron warriors from Whitman college lost an expected 33 to 7, to the rugged Husky eleven of the University of Washington in the rain-soaked stadium today, but the Missionaries accomplished their goal in scoring a touchdown and wrote another chapter in the book of freak plays in doing so. Tackling the Huskies in their traditional non-conference tilt, the Whitman Midgets fought stubbornly from start to finish.

Washington presented Whitman with its touchdown on the proverbial silver platter late in the second period, Anderson kicking off for the Midgets after a Husky touchdown and Ben Meador, Husky halfback, watched the ball hit the five yard line and roll into the end zone.

## STAYS IN GRAPPLE TOURNEY

Though he lost an indecisive match to Bobby Novak last Tuesday night in the first round of competition to select an opponent for Henry Jones in a welterweight title match, "Curly" Woods, shown above, is still in the race and will meet Guy Gordinier Monday night at the armory. If he wins this one he may get another shot at Novak, or, perchance, Dave Savidge, the Canadian welter shot, depending on who wins the other bout of Monday night's main event.

## Sebastian, Pittsburgh Sub Makes History in 45-Yard Run, Ramblers Beaten 12-0

By EDWARD J. NEIL

PITTSBURGH, Oct. 29.—(AP)—The panther, regal jungle cat and football team alike, is most dangerous when wounded; cornered, it bares its fangs for the last fight to the death.

A mighty Notre Dame eleven, hailed the greatest in the land, found that out for the first time today as the Panthers of Pittsburgh battered and groggy, lashed out, in a dying fourth quarter effort that stunned the Green Grenadiers from South Bend, sent them reeling down to a 12 to 0 defeat, and chalked on the pages of football history one of the greatest upsets of all times.

## OREGON STAVES OFF BULLDOGS

Webfoots Plunge, Pass to 13 to 6 Victory; Pass Used by Gonzaga

EUGENE, Ore., Oct. 29.—(AP)—After flashing a sparkling aerial and line plunging attack, the Webfoots of Oregon university staved off the strenuous last period drives of the Gonzaga university Bulldogs to win their football game here today, 13 to 6.

Living up to their nickname, the Gonzaga lads stubbornly held Oregon off through the first period and most of the second. With but a couple of minutes left of the first half, Frye intercepted a Bulldog pass and scorched down the side-lines 55 yards to the Gonzaga 20.

When slaps at the line failed, the Webfoots whipped out with a reverse lateral, Bobbitt to Bowerman to Brown, who raced over for a touchdown. The try for point failed.

Near the end of the third period Oregon scored again. Temple's 21-yard pass to Peppinjack put the ball on Gonzaga's 9-yard line. Bobbitt plunged through right guard to achieve the touchdown in one play. Brown's place kick for extra point was good.

A few minutes later Gonzaga had the ball on the Oregon 30. Captain Bill Wilson took a pass on the Oregon 15, and raced the rest of the distance to score the lone Bulldog touchdown. The try for point failed.

## ILLABEE DEFEATED BY YAMHILL TEAM

Mrs. Sephus W. Starr, captain of the ladies' team of the Illabee Country club, reports an enjoyable time visiting and playing the McMinnville Golf club team Saturday. The Illabee team was defeated, but considering the fact they were playing the champions of Yamhill county, they fared very well.

The Illabee players' winning points were Mrs. W. G. Stacey, Mrs. Fred Bernard and Mrs. C. N. Needham. Many of the matches were closely contested, and with added experience the Illabee women should give a good account of themselves. Mrs. Starr reports a successful season with the ladies' team experiencing only two defeats.

The ladies' selective tournament at Illabee completed last week was closely contested. The final checkup showed Mrs. W. E. Chandler the winner, with Mrs. Frank Shaffer, wife of the Illabee instructor, runner-up, after a closely contested match.

## CURT COMMENTS

Now, as for that man Kozela, who tossed passes to whatever rib the receiver best liked them to alight upon — we'll have to hand him the radio-like peep sight. Our records show that he threw eight passes that worked before he tossed one that missed its mark, in the Astoria-Salem game Friday night. He threw 13 in all and ten of them were good.

Astoria's superiority — in mid-field — is represented by 249 total yards from scrimmage and 15 first downs, as compared to Salem's 77 yards and seven first downs, three of which came on penalties. One of Astoria's first downs resulted from a penalty.

The fact is that Salem high made more penalties than on scrimmage plays — 90 yards to Astoria's 35 — and still some people weren't satisfied.

This Whitman outfit must come pretty close to rivaling the Yanks in the matter of avoiding shutouts; the Missionaries scored on Washington yesterday despite the fact that Nig Borleske's squad was supposed to be shot to pieces and helpless. Of course last year Whitman was goose-egged three times; but in 12 years of competition with Willamette, Whitman has always scored — and has been beaten only once.

Notre Dame once more drops into the defeated class, just when the writers were booming the Ramblers as almost certain national champions. Maybe that was just the reason. There's sound strategy behind these bear stories.

Notre Dame got to the two-yard line or thereabouts and called a lateral pass which failed to work. Won't the Monday Morning Quarterbacks light on that poor signal barker? We'd guess a lateral would be good policy in a place like that, with the defense supposedly all piling into the middle — but as Barry Wood says, it didn't work so it must have been wrong.

We'll award the gold-inlaid rulebook to the fellow who broadcast that game over KOIN, and who insisted for two minutes or more that a simple, unadorned touchdown was a safety.

## MONDAY'S CARD PROMISING ONE

Novak vs. Savidge, Woods vs. Gordinier Share Elimination Meet

Monday night's wrestling show at the armory, moved up from Tuesday night because of a conflict with political meetings, is one of the most promising that Matchmaker Harry Plant has lined up in a number of weeks, for it embodies two well-matched contests between skillful, "sane" grapplers instead of a main event and a "wild" preliminary.

The significance of these bouts is also calculated to insure exciting battles in both halves of the show, for the winners will remain in the race for selection of an opponent for Henry Jones in a welterweight championship clash.

Bobby Novak, making his debut here last Tuesday, defeated "Curly" Woods in a bout which brought forth a lot of favorable comment, and the fans were pleased when the matchmaker announced that both of them would appear again Monday.

Novak will meet Dave Savidge, welterweight champion of Canada, who last arrived in Oregon from Winnipeg, coming here especially to enter this tournament. Whether Novak's irresistible figure-four scissors will prevail against this notable visitor, is a question in which the fans are manifesting much interest.

Woods gets his "comeback" chance against another tough customer, Guy Gordinier of Portland, who used to be an occasional preliminary boy here but has blossomed out recently, particularly since his recent visit to the Philippine Islands where he triumphed over everything in sight.

## Dallas Snaps Molalla Jinx Friday Game

DALLAS, Oct. 29.—When Dallas high school's football team marched to a 13 to 0 victory over Molalla here Friday they broke a jinx that has stopped three previous Dallas teams. It was Dallas' first victory in the four years that the two schools have competed. Dallas outclassed the visitors from the start in the game and played heads up enough ball to take advantage of the breaks such as the blocked punt which gave her the second touchdown. Dallas gained 134 yards from scrimmage against Molalla's 47 while Dallas tried 12 passes and completed seven for 68 yards. Molalla tried eight passes and completed two for 25 yards. Four passes were intercepted, two for each team.

Dallas scored first in the opening quarter after about nine minutes of play. After getting the ball on her own 30 yard stripe the locals started a march which was climaxed when Lewis passed to Bill Cadle with the ball on the Molalla 20 and Cadle carried the ball to the four yard line. Lewis then took the ball off tackle for the score. McMillan then scored the extra point on a place-kick.

In the third quarter Dallas blocked Molalla's punt but Molalla recovered. On the next play Molalla again tried a punt and Bill Cadle blocked it. The ball rolled over the goal line where Friesen fell on it for the second touchdown. McMillan's kick for the point was blocked.

The play was in Molalla's territory at the start of the game but the visitors carried the ball deep into Dallas' territory on several occasions only to lose it on downs.

So far this season Dallas has played four games and has won all of them. She has scored 48 points and at the same time has kept her opponents from crossing her goal line.

So far this season Dallas has played four games and has won all of them. She has scored 48 points and at the same time has kept her opponents from crossing her goal line.
