DON'T TRIFLE WITH COMMON CONSTIPATION

Kellogg's ALL-BRAN Brings Relief

Constipation gets its grip on a person almost unawares. It often starts with such little things. Headaches. Listlessness. Bad complexion. Unpleasant breath. If unchecked, it may seriously impair your health.

Fortunately, you can avoid this danger by eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides two things needed to overcome common constipation: "bulk" and vitamin B. ALL-BRAN is also a rich source of iron for the blood.

Biological tests demonstrate that the "bulk" in bran is similar to that of leafy vegetables. Inside the body, it forms a soft mass, which gently clears out the intestinal wastes.

How much better than taking unpleasant patent medicines. Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Serious cases, with every meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

X-ACT-FIT

adjustable SHIRTS

with NECK SIZE CONTROL

No one knows better than the wife how many shirts lie in the drawer discarded just because the collars will not fit any more. Using pre-shrunk fabrics does not solve the difficulty because each laundering changes the collar sizes of all shirts, even those made of the best materials. But now with the creation of the X-Act-Fit, all collar trouble has been overcome because the collar size is adjustable.

The illustration shows how the X-Act-Fit works. Instead of a pearl button the X-Act-Fit has a permanent stud that can't come off. And instead of one buttonhole, it has THREE. It is buttoned just like a regular shirt with a choice of three neck sizes provided.

Perfect fit, style and comfort for the life of the shirt are guaranteed. Get the X-Act-Fit today. There is no extra charge for its adjustable feature.
