otal Expenditure for 1933 Set at \$379,710 When **Committee Meets** 

(Continued from page 1) told the budget makers that considered the reduction from 27,000, the 1932 figure, to 20,000 proposed for 1933, exessive, Alderman S. A. Hughes aid the city should stand by its greements and while the budget mmittee was urged to scale own the moneys paid out for ight in 1933, the figure was raisd back to \$25,000 in the tentive budget.

A sanguinary move broke out p reduce the pay of four-year remen to \$127.50 and to place sperienced policemen on the me scale but the proposal was oted down. As a result four-year fremen will receive \$130 a bonth under the proposed budet; experienced policemen will ocelve \$120 a month, in each rom last year's scale. avings Offset by

arrant Interest Miscellaneous savings made by the councilmen were largely offinterest in warrants marked unald for want of funds, more man \$100,000 of which are now certstanding.

Of the total budget, \$151,039. 2 goes for interest and princial on the bonded debt while an additional \$10,000 is set up for selinquent taxes and interest and 5000 is provided for warrant hterest.

eed to Terminal ite is Proposed

At the council session preceded by the budget meeting an or-linance providing for a 25-year leed to a non-profit terminal corieed to a non-profit terminal cororation of river front city proprty was referred to committee or later report. Alderman W. Dancy objected to the deed, eclaring he thought the terminal roject might fail, the R. F. C. be ompelled to foreclose the mortlose all title.

o report was ready. The council

## CHILDS AND MILLER ORGANIZE NEW FIRM

Quarters: Childs In 14th Year Here

Removal of the Leo N. Childs realty firm from 320 State street to \$44 State street this week and announcement that the firm hereafter would be known as Childs in the Lincoln grade school buildand Miller, realtors, with H. A. Miller a new partner, marked a high spot in the week's business ants was cut \$110. This was a new news here.

Mr. Childs, now in his 14th year as a realtor in the community, formed the new association with Mr. Miller after the latter resigned his position with Hawkins & Roberts' where he had served eight years. The new firm will handle real estate, loans and insurance.

Its new quarters are in the room formerly occupied by the Mutual Savings and Loan association. The business of the firm. Associated with the new con-

cern will be Mrs. Lelace Ellis, with the Childs' organization eight to be rated as a standard school years and Miss Mildred Martin, with the organization six years. Salesmen are C. F. Patton and Arthur Madsen.

Childs started his realty work here after the war, first being located at High and State streets, later selling the property there to job, according to Mills. the late T. G. Bligh. Childs then moved his business into the Patton building and has been in that location more than six years. He same building.

Mr. Miller has been active in handling the farm loans and property of the Hawkins & Roberts organization. Both men are very well known throughout the valley.

# SCHOOL BUDGET IS

Locate in old Mutual Loan Office Assistance Item cut Down: Little Objection To Board's Figures

WOODBURN, Nov. 7. - Only one item on the Woodburn school budget was slashed Saturday afternoon at a budget meeting held ing. The time providing for stenographers and other office assistitem on the budget. As two full time teachers have been eliminated from the high school faculty, the school board deemed it necessary, as a matter of economy, to have a sum of \$360 set aside for office assistance, doing much of the clerical and filing work formerly done by the teachers. After an explanation of the necessity for the amount by Paul Mills, school board member, the amount was cut to \$250. Mills pointed out that room is most attractively furnish- the teachers now on the high ed and provides ample space for school faculty are doing a great the carrying on of the growing deal of work, also stating that something along the line of hiring extra office assistants must be done if Woodburn's high school is Although much of the clerical work is done by commercial students, it is obvious that all the work cannot be done by them. No one has yet been used as an office clerk so far this year, and no one has yet been hired for the

Mr. Erickson questioned the \$250 amount set aside for vocational education. V. D. Bain. school superintendent, explained now moves to a larger room in the the purpose of the amount, stating that all money set aside for Smith-Hughes vocational agriculture work by the school board is matched by a like amount from Smith-Hughes headquarters. The \$250 is virtually the minimum amount that could be put aside for that purpose.

An unusually large amount, \$625, was set aside for maintenance of elementary school buildings. The reason for this is that the furnace at one of the grade schools is in bad condition and may go out at any time. The mon-

J. N. Haugen asked whether school board members cannot be til after the June meeting of the school board. Although the school ers should receive.

count be placed on the amount tex is only 75c at druggists. - Adv.

set aside for the retirement of warrants was passed with celerity. The fuel bill this year has been reduced nearly 50 per cent from last year.

The total amounts of the budget under the various classifications are. General control \$2422, instruction (supervision) \$1425, instruction (teaching) \$22,556.45, operation of plant \$3185, maintenance and repairs \$1125, auxiliary agencies \$7820, fixed charges \$150, capital outlays \$50, debt service \$10,300 and emergency

#### Gardeners Hear New Ideas for Chrysanthemums

Over 75 persons attended the monthly meeting of Salem Garden club at the chamber of commerce last night to hear an address by A. A. Doubrava of Sheridan on outdoor chrysanthemums and view an exhibit of locally-grown 'mums." Mr. Doubrava explained a new way of keeping chrysanthemums in bloom during freezing weather by covering the plants with a moisture-proof cloth.

Questions put by the gardeners were answered by Jay Morris and Mr. Franklin, the bulb grower. Ernest lufer, president, presided.
