"HAD CONSTIPATION SINCE BIRTH OF MY FIRST CHILD"

Then Mrs. King Discovered ALL-BRAN

We quote from her voluntary letter:

"I have suffered from terrible constipation since the birth of my first child—9 years ago! I have tried everything and nothing had any lasting results. Very reluctantly I tried your 'ALL-BRAN' with no faith in it at all. Much to my surprise, I have not had to take any medicine since starting to use ALL-BRAN, 4 months ago."—Mrs. Doris Eyre King, 16 Abbey Road, Oxford, England.

Laboratory tests show ALL-BRAN contains two things which overcome constipation: "bulk" to exercise the intestines; vitamin B to help tone the intestinal tract.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Inside the body, it forms a soft mass, which gently clears the intestines of wastes.

Certainly this is more natural than taking patent medicines—often harmful. Two tablespoonsful daily are usually sufficient. If not relieved this way, see your doctor.

ALL-BRAN also supplies iron for the blood. At all groceries. In the red-and-green packages. Made by Kellogg in Battle Creek.
