## Formal Dance Will Be Attractive Event

One of the largest and most attractive affairs of the past few weeks was the formal dance for which Dr. and Mrs. Burton Myers and Mr. and Mrs. E. A. McElvain were hosts at the Masonic temple.

The large ball room of the temple was attractively arranged in a color scheme of yellow and green. On the service table was a colorful arrangement of yellow chrysanthemums and green tapers on a linen cloth in which the colors of autumn were deftly blended and complimented in lovely effect the flowers and tapers.

The dance was in especial observation of the 15th wedding anniversary of Dr. and Mrs. Myers. Mr. and Mrs. McElvain are the parents of Mrs. Myers and were assisting hosts in compliment to the occasion.

Sixty couples made up the guest list all from Salem except Dr. and Mrs. H. R. Laslett of Corvallis.

The guests present were the Misses Evelyn Haas, Nina Taylor, Doris Hart, Dorothy Seder, Merriam Williams, Elva McCune, Helen Drakley and Leota Harland.

Gervais—"Mountain Leadership" is the topic for discussion at the meeting of the Presbyterian Women's Missionary society next Wednesday afternoon. The meeting will be held at the church with Irene Cullison, Susie Cutsforth and Lillian Cutsforth as hostesses for the social hour. ## BOWERSOX CHOSEN MONMOUTH MAYOR

Record Vote Polled; Siren Shrieks at Defeat of School Moving Bill

MONMOUTH, Nov. 9.—Monmouth polled a vote of record breaking size yesterday, with every precinct reporting the heaviest numerical vote since before the war.

The city election was a close runnerup for spotlight attention when opposition arose in electing Dr. F. R. Bowersox mayor for a two-year term. The name of H. W. Morlan, written in on the ticket, drew 148 votes. Bowersox received 261 votes. He is now serving his first term and was renominated without opposition at a caucus held October 12. Since he took office in 1931, \$14,950 of the city's bonded indebtedness has been paid off. Morlan previously served three terms as mayor. Bowersox successfully opposed Morlan at the polls two years ago.

Paul Tacheron, incumbent, was reelected city recorder. G. M. Partridge and George Cooper were elected councilmen to serve four-year terms. W. J. Stockholm received 50 votes in opposition to Cooper.

At midnight last night a joyous celebration was staged on the streets on Monmouth announcing defeat of the proposed school moving measure. The fire siren sounded as first intimation of the victory; bells were rung and bedlam turned loose generally in the enthusiastic reaction.

## CHINESE Y LEADER TO SPEAK FRIDAY

Following this, Burrell Steer, noted violinist from Portland, will be featured on the program. Steer has made an extensive trip around the world, playing in many of the large capitals of different nations.

The bride is the daughter of the Duke of Saxe-Coburg-Gotha. All the royal families of Europe were represented at the nuptials.

## Bird Breaks Silence Upon Election Day

The canary is supplanting the owl in that uncanny knowledge on which the owl has been credited with possession. At least W. H. Wilson, 535 South 18th street, so opines.

Wilson has a canary that Tuesday turned owlish. But prior to Tuesday, said bird evinced all the attributes of a mule. Here's why: For the past 11 months this canary has refused even on threat of passage from this sublime existence, to utter even one little note of a song.

Then, early election morning, the bird broke the quiet with a torrent of canary songs. All day long the bird did sing.

But alas, Wednesday morning there was no spark of song, and no cooing in the day would bring it forth.

And while Wilson is willing to believe that the bird played the Roosevelt seer on Tuesday, he's wondering why the silence Wednesday.

## Mothers find relief from the burden of colds..

With the new VICKS PLAN for Better CONTROL-OF-COLDS\*

### THE PROOF ... in Results!

In clinical tests among thousands last winter—in schools, colleges and homes—Vicks Colds-Control Plan cut the number and duration of colds in half!—reduced the costs of colds more than half! The satisfaction of hundreds of thousands of enthusiastic users confirms these tests.

WHAT relief it is! Fewer colds—saving time and expense. Less severe colds—saving time out from school, and valuable days lost from work! It is a revelation to mothers—who guard the family's health and direct the budget.

Vicks Colds-Control Plan was introduced last winter, along with the new aid in preventing colds—Vicks Nose & Throat Drops. This new formula is the ideal companion to Vicks VapoRub, standby of mothers for two generations in treating colds—externally. Together with certain simple rules of health, these preparations form Vicks Plan for better Control of Colds.

Vicks Plan can bring to your home more freedom from colds—savings in worry, money, time and health—as it has to thousands of others already. How you can follow it is fully explained in each Vicks package.

### Briefly, How Vicks Plan Works

When colds threaten—At that first feeling of stuffiness or nasal irritation—Nature's usual signal that a cold is coming on—use Vicks Nose Drops at once! They soothe irritation and aid Nature's functions in throwing off the infection that threatens. They prevent development of many colds.

If a cold has developed, Vicks VapoRub (now in Stainless form, if you prefer) is the proved, dependable treatment. Just rubbed on throat and chest at bedtime, its double action—continuing through the night—brings quicker, surer relief. Use of Nose Drops during the day adds to comfort—the help shortens the cold.
