FINANCIAL MARKETS RALLY VIGOROUSLY

NEW YORK, Jan. 4.—(AP)—Financial markets turned about today and rallied vigorously. For stocks the improvement was slow but steady until the last hour when shorts covered more aggressively, piling up net gains of 1 to 5 points in many trading favorites. For bonds, leadership was supplied by federal issues, most of which made new highs. Wheat, rising more than a cent, profited by a livelier speculative interest induced in part by weather news and strong Liverpool quotations. Cotton gained 90 cents to \$1.25 a bale net.

The upturn by shares was broad, though it was most impressive in stocks that were harboring the largest short interests. Case closed up more than 4 points and Harvester about 2. American Telephone, Allied Chemical and Auburn rose 4 1/4 to nearly 5. U. S. Steel issues improved the better part of 3 points, while duPont, American Can, Consolidated Gas, National Biscuit, Santa Fe, Union Pacific, Lackawanna, American Tobacco B. & Bethlehem rallied 3 to 3 1/2. Transactions totaled 1,093,288 shares.

HOOVER INSISTS ON BUREAU SHUFFLING

WASHINGTON, Jan. 4.—(AP)—President Hoover sternly assailed congressional leaders here for opposing his method of reorganizing government bureaus, as the democrats went resolutely forward with their plans for killing the chief executive's proposals. The president called his first press conference since September to tell newspapermen that if any reorganization of the government departments is to be more than "make believe," congress either must "keep its hands off" or it must give President-elect Roosevelt virtually a free rein.

The reaction in congress was immediate. Chairman Cochran of the house expenditures committee announced he would call his group together Thursday and would then seek to have reported out a resolution he has drawn to block the entire Hoover program for reorganizing and regrouping 58 separate bureaus into nine divisions under existing departments. Further, Cochran said it would be "unjust and most unfair" to the president-elect to reshuffle so large a portion of the executive establishment just two weeks before he took office. He reiterated the intention of the democratic leaders to vest much wider reorganizing power in Franklin D. Roosevelt.

Pupils at Rickey On Job Again But Vacation is Flop

RICKEY, Jan. 4.—School opened Monday with only a moderate attendance. Vacation was more of a convalescence period than a prevalence of flu. While there were several severe cases affecting both the lungs and intestines all are reported as improving. Mrs. W. H. Humphreys had a relapse and is confined to her bed but is doing nicely.

SPECULATIVE BUYING INCREASES CO-OPS ADVANCE EGGS ONE CENT

Wheat Closes Strong At 1 1/4-1 1/2 up; Others Climb

CHICAGO, Jan. 4.—(AP)—Decided increase of speculative buying did much to give an all-around hoist to grain values today. Lively demand for future deliveries of all cereals was in evidence from start to finish, and led to the best advance witnessed in weeks. Friends of price upturn asserted Europe was giving belated recognition to the fact that without the United States surplus the world wheat supply and demand situation was a strong rather than a weak one, and that little wheat in this country was available either to foreign or home markets at prevailing prices.

SMITH HEAD PHONE PATRONS FOR YEAR

SCOTT'S MILLS, Jan. 4.—A telephone meeting was held at Earl's garage Saturday afternoon, by patrons of the cedar pole lines. Ivan Smith was reelected president, Joe McCracken reelected secretary, A. L. Brounger reelected treasurer and George Haynes reelected lineman. Mr. and Mrs. George Krause and daughter Joan, of Portland, Mr. and Mrs. Van Ness Johnson of Tangent; and Miss Beatrice Amundson, a teacher in St. Paul, spent the holiday week with their parents, Mr. and Mrs. J. N. Amundson. L. Noel Myers, Herman and Ralph Geiger were weekend visitors from Longview, Wash.

ROMANCE ENDED DESPITE WEALTH

With the filing of a divorce suit in London by Lady Thelma Furness, the romance between the American beauty and Lord Marmaduke Furness, which attracted wide attention on two continents when they were secretly married in 1925, is headed for the discard of other blighted romances. Lady Furness, the former Mrs. Thelma Morgan Conover, is the twin sister of Mrs. Reggie Vanderbilt. When the twins were debutantes in America, Lady Furness was formerly the wife of James Vail Conover, wealthy New Yorker, but she divorced him in 1925 at Los Angeles. She appeared for a time in moving pictures, but left Hollywood and entered Burke's Peerage. She is a daughter of Harry Hays Morgan, a United States Consul official, whose last post was as Consul General at Buenos Aires from 1923 to 1925. Lady Furness has for years been one of the most prominent of London's society hostesses. A great personal friend of the Prince of Wales, she is frequently seen at parties where the heir to the British throne is a guest. The Furnesses have one child, the Honorable Anthony Furness, born in 1928. In the event of the American beauty winning her divorce, the custody of the child will probably be granted her.
