

# Bearcats Defeat Multnomah Club 30 to 24; Gain Speed

## DEFENSE TIGHT IN FIRST HALF

Hold Clubmen to 5 Points; Linfield Game Friday First That Counts

Revealing a fair amount of promise for their conference season because of steady though slow improvement in preconference games, the Willamette university basketball team wound up that phase of its campaign with a 30 to 24 victory over Multnomah club Saturday night.

The Bearcats' tight defense and fairly fast offense was most in evidence in the first half, during which the college boys completely swamped their more experienced opponents and wound up the period with a 20 to 5 lead.

During that time a major share of the scoring was done by the guards, Kaiser and Hartley, aside from the points gathered from the foul line. The Willamette team which has been notoriously weak in scoring on gift shots this season as well as last, did much better in that phase of basketball Saturday night.

Right from the start of the second half the clubmen began doing things, and pushed their score up to a point at which they actually threatened. Palmberg, said to be a cousin of the Astoria high player who performed sensationally in the state tournament here last year, garnered a big share of the visitors' points. George Scales, former Bearcat, put on a demonstration of his justly famous floor work, but didn't find the hoop until after the Multnomah coach had man waiting on the sidelines to take his place.

The game was rough, with several double fouls and some technical fouls to vary the monotony. One reason for the Bearcats' failure to do much scoring in the second half, was the prohibition Coach "Spec" Keene placed on long shots, insisting that the boys score from close in or not at all.

The conference season will open Friday with the Bearcats playing Linfield at McMinnville. They will spend the earlier part of the week in work on team play and will enter competition, but will be in action again Saturday night, meeting the strong Union Oil company team here.

## Cougars Stage Comeback, Defeat Staters 27 to 20 Tying up Opening Series

PULLMAN, Wash., Jan. 7.—(AP)—With determination and a fine exhibition of sharp shooting Washington State college came back tonight to defeat Oregon State 27 to 20 to split a two-game basketball series.

Captain Ed Lewis, Oregon State's center counted three field goals in the first half but was bottled up in the second half by Roland Johnson, Cougar forward, and held to two free throws.

Huntly Gordon, Cougar all Coast center, was high point man with ten centers. Bob Cross, Cougar forward, opened the scoring with a one handed push but Oregon State got ahead on Lenchitsky's free throw and Lewis' pair of field baskets.

Ref Scott and Ralph Rogers each snagged a basket to give the Cougars a 14-10 lead at half time. During the second half Washington State continued to push ahead and widen the gap. Fouls were frequent and W. S. C. took advantage of free throws to count points. Rogers, substitute forward, tallied five points for the Cougars in the second half.

## SILVER FOXES DEFEAT SALEM

Win 39 to 35, First Time Since 1919; Tall Boys Accurate Shots

Silverton high school's Longfellow basketball team, a quiet composure entirely at ease or better, and a sharpshooting outfit besides, took Salem high's green hoopers to the cleaner's Saturday night on the Salem high floor, 39 to 35.

It was Silverton's first victory over Salem on the basketball floor since 1919, according to Silverton fans who have a more accurate check on those details than have Salem basketball enthusiasts.

That Salem's relatively small men were able to keep on fairly even terms with the visitors, was due largely to the notable work of the Whitehurst, who scored 18 points for the red and black. Johnny Kelley was next with nine.

Scoring honors among the Silver Foxes were more evenly divided. Pettyjohn, center, holding a slight margin over his team mates with 10 points.

The showing made by the red and black in this game revealed plainly that Coach Hollis Huntington will have to do some shaking-up. The return of Engle to the squad will make this possible, though just where Huntington will place Engle is not yet certain.

Silverton fans said Silverton high defeated Salem in 1919 and won from Eugene 38 to 27 to enter the state tournament then held at Eugene. A Silverton shot was in the air when the final gun was fired, and it went through the hoop for a victory. Silverton lost to Lincoln high of Portland in the state tournament finals, in an overtime game.

Silverton won the state title in 1909 with Charlie Reynolds, present vice-president of the Coolidge and McClaine bank, captain of the team.

## DOUBLE HEADER IS TAKEN BY STAYTON

STAYTON, Jan. 7.—Stayton high won both ends of a double header played at the local gym Friday night. The high girls met a team composed of alumni stars and gave them a 28-14 beating.

In the final game, the high school boys defeated the medical division of Oregon national guard, from Salem, 21-14. The Stayton boys pulled up a 2-0 lead in the first period, but the Salem boys came up to make it 8-4 at half time.

Robertson, Keyes and Driesche were the shining lights of the high team, both in scoring and defense. The Stayton grade BB team, scheduled to meet Falls City grades Friday night, their game will Monday night, when they will play a preliminary game before the Stayton Townies play a return game with the Molalla quint on the local floor.

## EDDY MEETS STONE IN ONE-HOUR BOUT

"Mutt" Eddy of Des Moines, Iowa, and Glen Stone, northwest grappler whose reputation is well known to Salem fans, will figure in the one-hour match at the armory Tuesday night preceding the Henry Jones-Ray Lyness club. Eddy substituted for Sator Frantz in the main event last week and gave Chet Wiles a hard battle.

It was learned Saturday that Lyness will have an uncommon weight advantage over Jones, as the middleweight star will tip the beam at around 160 pounds whereas Jones has been scaling not more than 147 in recent bouts. Jones, however, may be able to overcome this left handicap, as he has done it on numerous previous occasions.

## Baughn Case Set For January 17; Statement Sought

William Baughn, indicted for the murder of Roy Robnett at Detroit, early in November, will be tried before Judge L. H. McMahan starting Tuesday, January 17, at 9 o'clock. The court yesterday also set for trial the state's case against Fennych, indicted for attempted burglary growing out of episode at Woodburn pool hall late last summer.

Eugene trial goes on. Judge McMahan will rule on motion filed by Baughn's attorney, Paul Burris, seeking to have the district attorney produce a written statement made by Baughn the morning after the murder. The district attorney objects.

## SPILLS—THRILLS—CHILLS AND SPORTSMANSHIP

## SQUADS TO START FOR CAMPS EARLY

PITTSBURGH, Jan. 7.—(AP)—Training camp economy, which caused such a stir at the recent major league baseball meetings, is not reflected in the jump-off dates announced tonight by the Pittsburgh Pirates.

The first squad of Buccos will leave for Paso Robles, Calif., February 19.

A year ago the advance party showed off one day earlier. Inasmuch as the Pittsburgh training camp must dovetail with those of the Cubs, Giants and White Sox, it seems unlikely that there will be any radical departures on the parts of these items.

The second squad of Pirates will leave Pittsburgh one week later than that made up of the battermen. Several additions will be made to each group as the trains move westward to the site of the camp, while those residing in California will go directly to Paso Robles.

The first squad will reach Paso Robles February 22. The opening workout will be held the next day. The first workout for the entire squad is carded for Thursday, March 3, the day after the second party is due to land in camp.

March 10 will find the Pirates in San Francisco to open a long barnstorming tour.

## CURT COMMENTS

One of the scrappiest football players to wear Willamette university's colors in recent years, was Garnie Cranor, who now is a chemistry instructor at Salem high. That scrappiness, or the competitive spirit, or "fight," whatever you want to call it, runs in some families. It was demonstrated when three of Garnie's brothers played basketball here Friday night with the Gladstone Black Hawks. Those boys went after it with all they had every minute.

It was interesting to watch Erven Klooster and Bud Rieks, who alternated at center on last year's Willamette team, battle each other. Rieks got the tipoff a little more than his share of the time, and did a great job of guarding his fellow-beanpole until he acquired three fouls. Then Hartley took over the job of watching the Gladstone star, and later Frantz inherited it. They all kept the big boy well bottled up, but all managed to do a little fouling in the process, and Klooster turned the fouls into just enough points to decide the game.

In all of these pre-season games, the Bearcats have been under the handicap of having a referee who knew them too well, tooting the whistle. No matter how fair he tries to be, an official who knows the players will invariably catch them in every violation, and if he doesn't know the other team, he will miss a lot of its breaches of the rules.

It's a unique situation when members of a rooting section can be given any individual publicity. However, that is a simple matter when it comes to the feminine rooting section of Willamette university for the Multnomah club last night. The rooting section consisted of the Misses Isobel Morehouse, Irma Baker and June Davies.

Well, the loyalty of Willamette co-eds is not quite that cool. It happened to be open house night for the sororities; and they're not to be blamed for scheduling it the same night as the basketball game, for this game was not signed up until the middle of the week. And if we missed a couple of co-eds who were there, we beg their pardon. We do not enjoy personal acquaintance with all of the co-eds this year.

## PERRYDALE LEADING WESTERN QUINTETS

PERRYDALE, Jan. 7.—Perrydale farmers emerged from the dust of battle Wednesday night with another win to their credit, when they defeated the fast Sheridan-Williamina quintet 28 to 25 on the Williamina floor.

The teams were so evenly matched that it was necessary to play two overtimes periods. At half time, the score was tied 11 to 11, and at the third quarter 16 to 16. At the end of the regular playing time it looked as though Sheridan might be the winner as the score stood 19 to 18 in Sheridan's favor, and Perrydale's only chance to tie the score was a free throw as a result of a foul committed on Perrydale just as the final whistle sounded. Berley converted the free throw to tie.

Perrydale is standing at the head of the western division of the mid-Willamette valley league with three wins and no defeats, all of the other teams having lost one or more games. Perrydale's next league opponent will be Falls City at Perrydale Friday, January 13. The high school of the two towns will also play a league game the same night here.

## GERVAIS IS WINNER OVER HUBBARD FIVE

GERVAIS, Jan. 7.—One of the best basketball games in several years was the game between Hubbard and Gervais on the local floor Friday night. This was the opening game in the class B league and the first league game on Gervais' new floor. The score was 28 to 29 in favor of Gervais.

There were many fouls though it was a fair game. Three Gervais men were put out because of fouls, probably because of the slick condition of the floor.

Alfred Bowley, captain for Friday night's game was high point man, scoring 14 points. Leland DeJardin was next high with eight points. Carl of Hubbard scored 11 and McKee six points.
