Pattern

By ANNE ADAMS
Kiddie fashions take up the double duty wardrobe, too. First she wears a sweater of jersey, simple and tailored, then she exchanges it for the middle shown in small sketch. How is it done? We've added to the pattern a sailor collar, handy pocket, youthful tie, and fashioned it of galaten. Clever, isn't it? The pleated skirt, of serge, may be worn with any number of sweaters and blouses.

Pattern 2439 may be ordered only in sizes 4, 6, 8, 10, 12 and 14. Size 8 requires 1 1/8 yards 54 inch fabric for skirt and 1 1/4 yards contrasting for blouse. Illustrated step-by-step sewing included with this pattern.

Send fifteen cents (15c) in coins or stamps (coins preferred), for each pattern. Write plainly your name, address and style number. BE SURE TO STATE SIZE WANTED.

"Chesterfields taste Better"

WE HAVE been telling the public for a good many years that Chesterfields taste better. They satisfy!

That wouldn't mean a thing if smokers found out that it wasn't so. Nobody can fool the people very long.

But a great many smokers have smoked Chesterfields for a long time, and they know that they taste right. And so they say to their friends, "If you want a cigarette that really tastes better, try Chesterfields!"

Chesterfields taste better because they are made of mild tobaccos that have been aged for two years. And there is just enough Turkish in them... but not too much.

We are sure that you, too, will enjoy their Mildness and Better Taste.
