

ONION POOL PLANS AT LABISH LISTED

LABISH CENTER, Jan. 12—Thirty-four Labish onion growers heard details of the plan of organization, formulated by the committee of five local growers at a meeting Wednesday night at the Labish Center school house, and most of those present signed the onion pool contract set forth.

The same procedure will be carried out twice a week. Growers wanting to sell having a chance get their names in on Thursday before 9. However, those who wished to sell on Monday and have made no sale by Thursday will have preference over those listed that day.

In order to protect buyers from peddlers who come and buy less than carload lots, the growers must charge them 10c a hundred more than the fixed price, 1c a cwt. being paid to the organization.

The organization will hire a field man at a salary of \$115 a month and expenses are to be met by growers paying in to the or-
