HOSPITAL REFINANCE SCHEME INSTITUTED

Insurance Sales Hoped to Liquidate Debts That Total \$64,000

A plan which it is believed even in times of depression will meet with general response has been launched by the board of directors of the Salem General hospital as a solution to its financial problems.

The new officers of the staff go as follows:

lected for the ensuing year are: Dr. M. C. Findley, president; Dr. James Sears, vice-president, and Dr. Wolcott E. Buren, secretary-treasurer.

Referring to the refinancing, M. L. Meyers said, "We have been deliberate in this program and have refrained from publicity up to now. It is our purpose to approach only a comparatively few people with this proposal. There has been a considerable interest manifested by the many who are concerned for the welfare of the hospital. The response of those already conversant with the plan has been most gratifying."
