

HAPPY HOUR CLUB GATHERS TONIGHT

Achievement day Plans
Made by Stitches; Group
To Give Drama

WALDO HILLS, Jan. 19 — The Happy Hour club will hold the regular January meeting Friday night at 8 o'clock. The program is in charge of Dorothy Neuswanger, Margaret Shockley and Ethel Knight. An interesting feature of the evening will be the sale of a hooked rug made by Ethel Knight, 4-H club sewing leader.

The 4-H Busy Bee Sewing club met this week with their leader, Miss Ethel Knight. Plans were discussed for the Achievement Day to be held in April. The girls hope to be able to have a style show at that time.

The Happy Hour club of the Evergreen district will present a play sometime in March. The one selected is "The Clay of the Thing," a three-act comedy. It will be directed by Miss Helen McCullough, primary teacher. The cast follows: Jack Norman, Mardon Overross; Luke Calloway, Melvin Kaser; Jerry Taylor, Harvey Kaser; Dudley Briggs, Elmer Palmist; Millie the maid, Maxine Hornion; Mary Normans, Edith Knight; Jessie Stewart, Ida Lund; Sarah Briggs, Mrs. Mardon Overross; Clayton Palmer, Orval Kaser; Julia Palmer, Ethel Knight; Thomas Deems, Alvin Lund.

Paul Stadel of the Evergreen district is in the Silverton hospital suffering from a broken leg. From this time on Mr. Stadel will be careful how he works on Friday the 13th for it was on this date he was removing an anchor post from his fence. The post gave way unexpectedly, striking him on the leg.

4-L Deserves Big Credit For Aiding Music Promotion

SILVERTON, Jan. 19 — The Silverton Junior Symphony Orchestra is now installed in its new quarters at the 4-L hall. Hal L. Campbell, director of the orchestra and of the music in Silverton schools pays a splendid tribute to the generosity of the 4-L organization.

He says in part: "The 4-L club has been one of the principal factors in placing Silverton in the enviable position it now enjoys as a leader in the advancement of musical culture. The 4-L made the school band possible by loaning the school authorities over \$700 worth of band instruments and the entire library of band music. Without this gift it is doubtful if there would be a school band at Silverton now. What the band has done for Silverton is pleasant history."

The orchestra, with 50 members, meets for rehearsal each Monday evening.

Minstrel Show is Big Hit at Aurora Despite Weather

AURORA, Jan. 19 — The minstrel show given as a joint benefit for the Aurora Community club and the Hubbard band in the Aurora band hall Friday night was above the average home talent production.

Mrs. Coble de Lespinasse as intercomer, presented her snappy entertainers as follows: Opening chorus; solo dance, by Helen Knight; dance numbers by the trio "Tommy, Bill and Snoc-

drop," Mary de Lespinasse, Anna Knight and Georgia McKay; hits were given and the instrumental quartet composed of Don Covey, Marie de Lespinasse, Louise Grims and Franklin de Lespinasse, a saxophone trio led to the big climax, "The Black and Quality Hand." Dr. de Lespinasse director, was pianist for the evening. A dense fog and much illness prevented the large attendance the attraction merited.

MIDGET MARKET

ORIGINATORS OF LOW PRICES

Reach for a Quarter Instead of a Half
That's one advantage of trading at this market. Another important feature—every pound of our meat is inspected and passed. A guarantee of health and cleanliness.
