SILVERTON, Jan. 19.—Books going over the circulation desk of the Silverton public library during 1932 numbered 15,426, according to the annual report of the librarian which was com-

pleted Wednesday night; 150 magazines were also loaned. The report shows that January there were 1223 readers and of these 292 were from out of city limits. During the year, 347 books were purchased; 551 books donated; 279 withdrawn leaving a total of 1809 books on the circulation shelves of the library on January 1st. Rentals from some of the newer books which are charged for at the rate of five cents a week, brought

\$80.76 while fines amounted to \$19.02. The library received \$60 from the city for the purchase of books. All funds, with the exception of a few minor supplies, have been put into new books. Mrs. H. B. Latham is chairman of the library board. Other members are Mrs. G. B. Benson, Dr. C. R. Wilson and Charles Reynolds.

CLUB'S QUILTS ARE IN HEAVY DEMAND

LYONS, Jan. 19.—Mrs. Earl Allen delightfully entertained the Lyons Ladies' Three Links club Tuesday afternoon at her home. The time was spent sewing. Present were Mesdames R. A. Brown, Lynes, Elmer Hatt, Bodeker, Marvin Berry, Floyd Berry, Holford, Huber, McCall, Nau, Cornforth, Huffman, Darnell, Bressler, John Trask, Wilson, Monroe, Bassett, Abels and Swank.

The Lyons community club held an all-day meeting at the church hall Thursday with pot luck dinner at noon. The women have secured orders for several finished quilts and spent the day cutting and sewing blocks for the quilts. When cutting wood at his home Thursday, Alex Bodeker severed the flesh from the thumb of his left hand, necessitating a doctor's care. Mr. Bodeker had the thumb on his right hand taken off several years ago in a sawmill accident.
