### REGISTRATION GAIN MADE, HIGH SCHOOL

Registration figures at the senior high school turned in yesterday to the superintendent's office by Fred Wolf, high school principal, show an increase so far of 77 students this semester over last. Although 68 students failed to return to school, new registrations total 143, of whom 111 entered from junior high schools.

According to an erroneous report given out a few days ago, a decrease was noted in registration figures this term, which is not the case as was explained by Superintendent George Hug yesterday. Former figures gave the complete registration list for the fall semester and did not take into consideration the fact that the actual enrollment at the end of the term would fall far short of this mark due to students dropping out or transferring from school.

Principal Wolf expressed belief that the enrollment increase for the spring term would approximate 100 before registration was complete. A number of students out of school due to illness have not registered.

Dr. C. O. Johnson, pastor of the Third Baptist church at St. Louis, Mo., and one of the outstanding speakers of the day, will appear here Sunday afternoon at 3 o'clock, February 12. Rev. W. Earl Cochran, pastor of Calvary Baptist church, announced yesterday.

Dr. Johnson, who was for 11 years pastor of the Tacoma church, held an enviable reputation as a crowd-getter, and long before his services open every seat is filled, the local pastor says. He will speak twice in Portland, both morning and evening, February 12. His talk here will likely be delivered at the Calvary Baptist church.

The mid-year state Baptist convention will be held in the Hinson Memorial church in Portland Tuesday, February 14, when Dr. W. G. Everson, who was an army officer spoke before the Kiwanis club here about a year ago, and Dr. P. W. Philipotts, until recently pastor of the Moody church at Chicago, will be the main speakers.

Rev. Cochran has been appointed chairman in this district on attendance for the state convention, and Rev. Britton Ross of the First church here will conduct prayer service at the convention.

Figures on postal receipts at the local postoffice for the month of January, 1933, released yesterday by John Farrar, postmaster, showed a total \$17,948.93, an increase of \$1800 over the corresponding month last year.

Farrar stated that there was no doubt that the increase in postal receipts effective since July 1, 1932, had been instrumental in keeping

### BAPTIST LEADER TO SPEAK FEBRUARY 12

Dr. C. O. Johnson, pastor of the Third Baptist church at St. Louis, Mo., and one of the outstanding speakers of the day, will appear here Sunday afternoon at 3 o'clock, February 12. Rev. W. Earl Cochran, pastor of Calvary Baptist church, announced yesterday.

### BURGLAR PAIR GETS SIX MONTHS IN PEN

Cases of the remaining two men of the quartet arrested by city police over the week end on larceny and burglary charges were disposed of in circuit court yesterday.

Kelly Wickizer was sentenced to the state penitentiary for six months, and Kenneth Ames got a like sentence. Wickizer pleaded guilty Tuesday to the charge, and sentence was imposed yesterday by Judge McMahan. Ames was brought into court for the first time yesterday, and pleaded guilty to burglary not in a dwelling.

Both men were taken to the penitentiary yesterday afternoon by Sheriff A. C. Burk.

### Lindsay Post Goes Into Senate Today

The senate committee on education Wednesday voted to report out favorably a bill introduced by Senator Duane doing away with the office of secretary of the state board of higher education. This office is now held by Dr. E. E. Lindsay, who receives an annual salary of \$7500.

The bill will be reported out today.

### DEFENDANT WINS IN ESTES DAMAGE SUIT

The jury which heard damage action brought by Ida M. Estes against Gustav Schunke took two hours to return a verdict yesterday for the defendant. P. H. Acton was foreman.

Late yesterday afternoon, motion for new trial was filed by attorneys for the plaintiff on grounds of error in law. The motion is based on fact that the court, at defendant's request and objection of plaintiff, instructed in part as follows:

"There is no evidence in this case that any injuries received by the plaintiff were of a permanent character, and you will, therefore, disregard that allegation of plaintiff's complaint and allow no damages in this case for permanent injuries suffered by the plaintiff."

Some Students Pay Up Tuition Far in Advance

Willamette university students are making valiant efforts to weather depression, as is shown by the large number of students who are paying tuition money in advance for the spring term of school. Although some few may be forced to drop out, many have been saving for some time and already have a large share of the money paid.

Dean F. M. Erickson sees in this fact an indication that the depression has caused students to think more seriously about the advantages of an education than has heretofore been the case.

### \$9452 IN COUNTY WARRANTS UNPAID

Unpaid Marion county warrants on December 31, last, totaled \$9,452.03, of which sum \$7,759.04 was on the roads and highway fund, according to semi-annual report of the county clerk.
