## First Nile Club Benefit Event Of Friday

The first benefit to be sponsored by the Salem Nile club during its years of organization will be an event of Friday night at the Masonic temple according to announcement of Mrs. G. H. Burnett, president of the club.

A great need for funds with which to carry on the excellent work of supplying aid that crippled children unable to receive treatment save through the channels of the Shriner's hospital in Portland may have such treatment is at hand. The Salem chapter has now three children of the city and vicinity whom it is taking care of. One child was sent this past week to the Portland hospital.

Another need which the local club attempts to serve is that of "follow-up" necessities for the small people following operations. These needs include milk and cod-liver oil which parents are not able to afford. Clothes, too, are included in the great work of helping done by Nile clubs.

The benefit Friday will be one of the very worthy such affairs to be sponsored this spring. Reservations are to be made with either Mrs. Burnett or Mrs. David Wright. A very small charge is being made per table. The committee assisting with arrangements include Mrs. F. L. Legarie, Mrs. V. E. Kuhns, and Mrs. Curtis Johnson.

## Splendid Evening Planned Tonight

One of the most popular members of the faculty of Willamette university will be featured Tuesday evening when Dr. Seava B. Laughlin presents his lecture, "Who Blackened the Eyes of the Nordics?" in Waller Hall at 8:15 o'clock. Over one-third of the student body of the local university is enrolled in Professor Laughlin's elementary sociology course while his advanced courses in criminology and anthropology are also of substantial proportions.

Dr. Laughlin is a member of the American Sociological society, the American Eugenics association and a chancellor of Pi Gamma Mu, national honorary social sciences fraternity.

Preceding the lecture, at 7:45 o'clock, Mrs. W. H. East, well-known organizer of the local First Church of Christ Scientist, will present a program of organ music. Mrs. East has selected a group of numbers by organ masters designed to present all the possibilities of the organ in Waller Hall.

Her program is as follows: (a) In Hallowed Hall, Cutbert Harris; (b) Introduction and Allegro Concertante, F. W. Holloway; (c) At Evening, Dudley Buck; (d) Andante in G, Edouard Batiste.

The series of joint lecture-organ concerts sponsored by the faculty, and of which the program Tuesday evening will be the third, has been enthusiastically supported by the student body of Willamette who have joined in a cordial invitation to the public to attend.

The women's organizations of the campus have taken charge of the ushering, Alpha Phi Alpha sorority having served at the first event, Beta Chi sorority at the second, Delta Theta Gamma, the social organization of the independent women of the campus, will usher Tuesday evening.

Among the pretty Saturday night supper parties was that for which Mr. and Mrs. John D. Caughill were hosts at Mrs. Ida Godfrey's. Bridge was in play at the Caughill home following the dinner hour.

Dr. and Mrs. K. Adams were hosts for a fireside supper at their rural home Sunday evening.

Hazel Green.—Mrs. B. C. Zielinski entertained Friday night honoring her husband on his 41st birthday. Mrs. Zielinski was surprised by relatives and friends.

Those attending were Mr. and Mrs. Joseph Domagala, Mr. and Mrs. Joseph Zielinski and daughter Gertrude, Mr. and Mrs. Charles Zielinski and children, Mildred, Charlotte, Eileen and Ernest Paul Zielinski, Mr. and Mrs. C. J. Stupfel and children, Delphine, George, Irene, Carmel, and Harold, Mrs. Charles Anderson and children, Paul and Gerald, Mr. and Mrs. John Zielinski, Mrs. Francis Ganiard, Robert Drew, Mr. and Mrs. Frank Clark, Miss Snyder, Mr. and Mrs. J. **BURNING OVEN**  
STEAKS COOK BUT THE MAN LIVES!

ILLUSION: One of Napoleon's soldiers rose to fame on the "Burning Oven" trick. A roasting fire was built in an oven... the temperature rose to 600° F. Into the oven walked the "fire king," M. Chabert, carrying several raw steaks. A few minutes later the doors were swung wide and out he stepped... safe and sound... with the steaks thoroughly cooked.

EXPLANATION: Heat rises. When Chabert entered the oven he hung the steaks above the fire, in the center of the oven, then dropped to the floor at the side, covering his head with a hood made from his shirt. He breathed through small air holes in the floor. When the steaks were cooked he threw back the hood, grabbed the steaks, and stepped out in triumph.

It's fun to be fooled — ...it's more fun to KNOW

"The Burning Oven" is an old illusion which has played a leading rôle in cigarette advertising. Its modern name is "Heat Treatment." EXPLANATION: All cigarette manufacturers use the heat-treating process. Cheap, harsh, raw tobaccos require intensive processing under high temperatures. The more expensive tobaccos, which are naturally mild, call for only a moderate application of heat. The first Camel cigarette was manufactured under the heat-treating process. Every one of the billions of Camels produced since has received the necessary heat treatment. But remember that heat treatment never makes cheap, inferior tobacco good. It is not in heat treatments, but in more costly tobacco and fine blending, that Camels find their appealing mildness and flavor.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

You sense this quality in the mildness... the distinctive flavor... of Camels. More costly tobaccos and a matchless blend tell the story of Camel leadership in public confidence. Try Camels. Judge them critically. Compare them with others for mildness, for throat-ease, for good taste. Key your taste to quality! Camels come to you fresh and cool... in the air-tight, welded Humidor Pack that keeps dryness outside and freshness inside.
