## LAUNCHING NEW FRENCH LINER

The new French liner "President Doumer," named for the French Chief Executive who met his death at the hands of an assassin, is shown as it slid down the ways at La Ciotat, near Marseilles, at its launching. The new luxury liner when completed will be a model of safety from accidents of every description and, in addition, will be fireproof. The family of the late President attended the launching ceremonies.

## POOLES FIND BALLS OF JAPANESE FLOAT

KEIZER, Feb. 7.—Mr. and Mrs. C. A. Poole and son Warren have returned to their farm in Keizer, after spending the winter at their beach home at Taft. They tell some interesting things about the storms on the ocean being the worst in many winters.

Big logs were thrown from 10 to 15 feet into the air and carried by the waves into the streets of Taft. Much damage was done to the sea wall built a year or so ago.

An unusual sight on the beach was the glass balls of different size and color used by Japanese as floats on their fishing nets, which drifted in from Japan. The Pooles brought home a number of them. One of these is on display at the Statesman office.
