## UNIQUE PROGRAM IS GIVEN BY PYTHIANS

DALLAS, Feb. 9.—One of the most unique programs enjoyed by any organization here was presented at the Pythian Hall on Tuesday evening when the Knights of Pythias entertained members of the Pythian Sisters and wives of the Knights. The program was presented in the form of a radio broadcast with the entire program coming over the radio.

Normal Gates took the part of the radio announcer and announced the program by means of a hand microphone. Each participant in the program was announced by this method and many jokes and "take offs" on the members of both organizations were enjoyed by the crowd.

Lief S. Finseth gave the address of welcome for the Knights and Florence Hunter responded for the Sisters. The most interesting highlight of the evening was when B. F. Preston told of the honors gained in public offices by the members of the Knights. In concluding his part of the program, Preston told of the hard campaign fight of Ed Campbell for the office of constable for this district and presented Ed with a badge of office from the lodge. The badge was in the form of a star, about 12 inches across, cut from brass, and having the inscription "chief constable, Polk county" on its face.

Fifty-nine persons attended the meeting and enjoyed a lunch served at the conclusion of the program.
