Pattern

By ANNE ADAMS

Paris insists on the jacket ensemble for spring and this is a charming example of the vogue. The bolero with three quarter sleeves set in raglan fashion is worn at the exciting new length and don't you love the bit of gay print revealed in the bodice and sleeves of the frock? An illusion of long slenderizing lines flatteringly to any woman.

Pattern 2542 may be ordered only in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 requires three yards 39 inch fabric and 1 1/2 yards contrasting. Illustrated step-by-step sewing instructions included with this pattern.

Send 15 cents in coin or stamps (coins preferred), for this pattern. Write plainly your name, address, color of paper of lovely Parisian-style models for every spring need. This beautiful book shows how to be chic at every hour of the day. Every style is practical and easy to make. There are models for the larger figure, and pages and style number. Be sure to state size wanted. Send for the new spring fashion book. Containing 22 of delightful junior and kiddie styles. Price of catalog, 15 cents. Catalog and pattern together 25 cents. Address all mail orders to Statesman Pattern Department, 248 West 17th street, New York City.
