Templeton is a great friend colleagues. Senator Sam Brown's of George Joseph, Jr., having gone | teary talk and his vituperation of gene. Tax collections are falling Dunne's ire in the course of the down markedly in Washington debate on the two-year moratorito explain his vote and his face of this year compared to 1932, he reported. County officials are distressed by the situation inasmuch as the county will be forced continuously to emit more warrants if collections fall off. best to his creditors. I know, for last summer I spent much of my Bits: Pay for lobbyists runs

torneys are the most prominent third house workers . . . railroad representatives are fairly well satisfied with bus and truck bills now ready for passage . . . they think the rates are inadequate but the bookkeeping to be demanded of contrace hanlers is considered a step in the right direction . . . Speaker Snell is doubtful if the session can be ended before a week from Saturday . . . every roll call and committee report is printed in the archives of the session . . . votes in committee of the whole are not recorded which is one reason members like test votes taken when the assembly is thus constituted . . . the state printing department buys book paper by the carload for the session, at prices little more than half of those prevailing four years ago . . . undenied reports are that the state treasurer has become interested in the Capital Press

from \$5 to \$50 a day . . . at-

of this city . . . Mrs. Harry Corbett is intensely interested in child welfare work and has concerned herself with it steadily throughout the session . . . house members of its utility committee were unimpressed by Judge Thomas' impassioned oretory on his utility bill . . . they thought he was unduly exercised and was attempting to force them to accept his ideas in whole or not at all.

Brush Creek

Gets Impetus

BRUSH CREEK, Feb. 34. -

'Raising cane' will be a legiti-

mate pastime in the Brush Creek

district next summer, according

to all early reports. Twenty acres

Cane, of this particular brand,

considerable interest to the ex-

month, although it will not be in

use until autumn. The mill can

150 gallons of sorghum, and a

day's run of the mill averages

Farmers are growing small

quantities of it this summer, few

of them planning to grow over an

acre apiece and most of those

who are experimenting plan to

grow but a quarter or half acre

this first year. Mr. Klopfenstein

is not planning to purchase the

sorghum out-right this first year but farmers will endeavor to dis-

pose of their own product or

some of it may be handled
