STAYTON, Feb. 28 — Of special interest will be the program arranged for the next meeting of the Women's club, Thursday, March 2, by the committee in charge, Mrs. Geo. H. Bell, Mrs. Lee J. Rock and Mrs. Eunice Jordan. Miss Yvonne Smith of Salem will sing "Trees," a semiclassic by Oscar Raschbach; "Ave Maria," by Gounod and a popular Irish song.

A fight on S. B. 19, the much discussed Thomas utility regulation measure, is probable this morning when the bill comes up on a divided report in the house of representatives. The majority and minority report are a special order of business for 10:30 a. m., the bill not coming to debate yesterday because of the time con-sumed in the debate of the motor bus bill. Representative Lewis will lead the debate for the minority report which is said to conform more nearly to Thomas' wishes for regulation.
