Rising money rates signalled the heavy demands being placed on New York banks by the increasing number of "bank holidays" or withdrawal restrictions. and this situation prompted an increase of one per cent in the New York Federal Reserve bank's rediscount rate to 3 % per cent. Call money renewed at 21/2 per cent, the highest since July, while off the stock exchange 3 per cent

was quoted. United States government securities weakened severely. In foreign exchanges, there were extensive purchases of the British pound which put that currency up more than 4% cents in relation te dollar.

Brokers reported some selling from the interior. Such sales were associated with the banking situation, since many security holders found themselves in need of quick cash. The late recovery canceled 3-point losses for American Telephone and Allied Chemical, erased a 2-point loss for American Can and converted Union Pacific's 21/2 drop into a net gain of %. Delaware & Hudson cut in two a 4-point break. Utilities, on the average, halved
