DALLAS, March 8 - Dallas high closed a successful basketball season at Independence Monday night when she lost the district championship to Corvallis by a 16 to 14 score in an overtime game. This brought Dallas' season standings to 16 wins out of 27 games played for a percentage of .593. Dallas scored \$58 points during the season and the two tournaments to her opponents' 647.

In the two final games of the district meet Dallas held Corvallis to a total of ten field goals but was held to four in the last game. This gave Dallas the edge on field goals for final games 13 to 10. In the district meet Dallas scored 125 points to opponents' 79 and also had the honor of checking closer than any other team by holding Corvallis

to 10 points in the semi-final. Webb, lanky Dallas center, walked off with high score honors in the district meet as he did in the county tourney. High score honors were divided as follows:

Henry Jones is Victor Again in **Bout With Reed**

PORTLAND, Ore., March 8 -(AP)-Henry Jones of Provo, Utah, defeated Robin Reed of Reedsport, Ore., two falls out of three in the main event of to-night's wrestling card here. Both weighed 145.

Reed took the first fall in 22 minutes with a full Nelson and body press. Jones won the second fall in 6 minutes and the third in 10 minutes, both with whip wristlocks.

Bob Myers, 163, Tillamook. Ore., took one fall and the match from Mutt Eddy, 165, Portland, in the semi-windup. Bulldog Jackson, 155, Klamath Falls, Ore., defeated Spike Ashby, 148, Flint, Mich., taking one fall in the preliminary.

Volleyball Men Work Hard for Annual Tourney

The first and second Y. M. C. A. volleyball teams are practicing diligently in preparation for the northwest volleyball tournament in Tacoma April 22.

Stiffer competition than usual is anticipated this year and if the local team is to repeat last year's performance and bring home the

managements figure they can get by. Butter, eggs, canned goods and baled hay are a bit cumbersome to carry in the purse, but other-

wise they are perfectly good as substitutes for cash in buying one's way into the armory for the fight card Friday night. Quite a pile of edibles remained after Tuesday night's wrestling show. and these things were turned over to the recognized relief organizations. It's an ill moratorium that blows nobody good. -0-

It's an attractive fight card, at that. Jackie Kileen gets his big test against Ernie Peters, the Chicago Indian who has met the last three world flyweight champions, in the head-liner of three six-rounders. The others pit Bobby Ambrose against Mickey Barker of Portland, and Cy Landers of Independence against Young Sharkev.

This boy Barker ought to give Ambrose a busy 18 minutes or less, for he has made a whirlwind debut in professional ranks. engaging in only eight fights up to now of which he won three by knockouts and has lost only one, a decision to Whitey Neal, whom he defeated on another occasion. He has also beaten Roy Ockley. -0-

In contrast to the last show which featured Salem boys against foes from nearby towns, mostly Independence, this is a card in which the opposition for the most part comes from Portland, Al Smith, well known local democrat, will meet Freddie Adams from the metropolis and Tom Ross of Monmouth will contend with Charlie Mitchell, also of the big town.

The seniors hold the lead in he Salem high school interclass basketball series, having defeated the juniors 28 to 21, the juniors in turn winning from the sophomores 11 to 5. Summaries:
