Kings Valley Has Grange Session in New Hall at Peedee

KINGS VALLEY, March 16 — A very pleasant surprise awaited the members of Kings Valley Grange when they met for the first time at their new meeting place in Peedee. New furniture, designed and built by a member, Wilson Bump, especially for the use of the organization, and new staves and flag and staff with the accompanying standards for both staves and flag were in place. Mrs. Bogert was installed into her office as Pomona, and Mrs. Chester Chambers as lady assistant steward.

P. M. Ritner was given his third and fourth degrees. Two subjects of timely interest were discussed by Wilson Bump, chairman of the Agricultural committee. Mr. Bump is trying the tobacco dust treatment on his cattle for warbles and finds it very effective and also inexpensive.

East "Evidence" — When William Leith of Gervais presented Deputy Sheriff Williams with a 16-pound prize-winning gander, owned by Leith and stolen by men apprehended by Williams, Leith paved the way for a special officers' feed at Williams' home last night. Sheriff Burk and other deputies were guests.

POLK RED CROSS TO AID STRICKEN AREA

DALLAS, March 16 — Dr. A. B. Starbuck, chairman of the Polk county chapter of the American Red Cross has received a telegram, asking that the Polk county chapter raise \$50 to be sent for relief work in the southern California earthquake disaster. Dallas will endeavor to raise half of this amount and the balance secured from the rest of the county.

Watches, Clocks and Jewelry repaired in first class running order. L. G. PRESCOTT JEWELER. New location 428 Court St.

Polk county, according to Dr. Starbuck, has always raised or exceeded the quota set for disaster funds. At the time of the Mississippi flood, the sum of \$500 was raised within a few hours. During the recent drouth relief over \$40 was sent in from the county. Contributions can be sent to any of the district chairmen or to the secretary, Mrs. Charles N. Blyeu, Dallas.
