Number by Students Worked as Part of Regular Assignments in Class

SCIO, March 18 .- The largest crowd to attend P. T. A. this year enjoyed the program presented by the third, fourth, seventh and eighth grades Thursday night, under the direction of Miss, Mildred Gardner and E. P. Caldwell, teachers. Both parts of the program were results of class work.

The third and fourth grades presented a playlet, "We Like Windmills," for which they constructed the windmills, dike, ship and the wooden shoes. Betty June Withers, Dean Gonser, Harry Holechek, Evelyn Kendle, Richard Phillips, Dan Dougherty, Edith Nadvornik, Pearl Dennison, Vern Rahn, and a chorus of Dutch children presented this play. Lile Lee Thayer, Veva Hollis,

Eleanor Calavan, Jasper Purdy and Billy Hoagland gave readings. Following this, the seventh and eighth grades held a business meeting, over which Lowell Myers presided. This meeting is a regular feature of the room organiza-

A. meeting. "The Gift of the to Moscow. Mr. Troianovsky is ex-Magi," dramatized by Ella Hall, pected to be appointed first Soviet Alene McDonald and Leona Asp. was chosen. The seventh grade presented the play. Taking part were Florence Dennison, Robert Kalina, Bessie Holechek, Marie Morgan, LeRoy Montgomery and Agnes Becicka.

Another play, "Just Like a Woman," was presented by the following eighth graders: Velam Palon, Lowell Myers, Virginia Tichenor, Andy Hetzendorf, Loris Hollis and Rex Bilyeu.

"My Wild Irish Rose" and "When Irish Eyes are Smiling" were sung by members of the entire room.

A clever skit, advertising the Adams and accompanied by Mrs. junior class play, "I Will!" I Florence Hutchinson. Won't!" was presented by LaVaun Gardner, Sylvia Bartu, Marley Sims, Rose Schwindt and Miss Bernice Newhouse, coach.

Preceding the program, a short business meeting was held, presided over by Miss Doris Klindt, vice-president, who announced The harmonica band of Leroy that the next meeting will be in charge of the first and second grades and that Willard Marks of Albany has been asked to speak.

TURNER, March 18-The Turner high school student body and faculty are staging a baseball benefit carnival at the schoolhouse Friday night, March 24.

STAYTON, March 19 - With the opening of the banks in Saem and elsewhere, Edw. J. Bell who operates Stayton's cash exchange is again taking care of the needs of the local community in cashing checks, accepting deposits for depository banks as agent for the depository and operating under the same schedule as before the bank holiday.

During the bank holiday the also clover was severely damaged cash exchange served as a medium for exchanging currency and silver to business houses and cashing government checks and

Funeral services for Mrs. Hazel Downing Dominick will be held at the Weddle chapel Sunday p. m., with Rev. W. H. Ly-man officiating. The remains were cremated in Los Angeles and the ashes will be placed in the little cemetery near Kingston beside her parents.

Petitions circulated here this week for an initiative measure to be voted on at a special election in July, repealing the present dry laws were circulated here the past day or so. The petitions were freely signed and without much effort Stayton's quota of names was secured.

Giles Wagner Buys Land and to Build Temporary House

MEHAMA, March 18 - Giles Wagner has recently purchased the land belonging to Mrs. George Schultz of Portland. They expect to build a garage house and move it by the first of April. They will erect a house and other Are Served Tea buildings during the summer.

This piece of land has approximately 80 acres and Mr. Wagner will put out some berries this spring. Mrs. Boche and sons of Salem will move in the place vawas presented by the members of cated by Mr. Wagner. The Mehama Willing Workers

Farmers Snatch Sunshine Prospects Are Reviewed

PRATUM, March 18—Farmers effect on the 1934 hay crop. took advantage of the few dry days the first of the week, sowing wheat and oats and some vetch was also sowed. Apparently the hay crop will be short for the next two years. The 1933 crop will be short on account of all oats and vetch being killed by frost ,and

in some sections of the county. The 1934 crop will probably be short because there is so little fall grain left in which to sow clover, which is usually the most successful way of getting a stand. Clover sown in spring grain very during July and August, therefore the small amount of clover seed

Lacomb Man Savs Berry Prospects There Very Poor

PLEASANT VIEW, March 18 -Dan Sturgiss came down from Lacomb Monday to look over the strawberry situation. He said the berries were damaged badly up there and many were wanting plants for spring setting. He got some early plants of M. A. Cook, and will get some of the late plants later on.

weather have given farmers a far proved impossible. chance to get busy in the fields again and some are making early

Chicken thieves are busy again in this neighborhood. Mr. Sweet lost 15 nice Orpingtons a few out. Clover fields and grain fields nights ago.

Limerick Contest

SILVERTON, March 18-Winners of the limerick contest sponsored by the choir at the Methodist church were Janet Ballantyne, Mrs. J. Ballantyne and Mrs. F. J. Roubal. The prizes were awarded at the "Broadcast" given before a packed house at the church Thursday night.

LIBRARY MUCH USED AMITY, March 18 - The new traveling libraries are here now. trons are using the local library.

sown this spring will have its sad

scarcity of vetch seed next fall, with this years crop a total failure with very little seed held over. Vetch seed will be hard to secure at seeding time next fall, therefore other forage crops will have to be resorted to or hay will have to be shipped in from across the Cascades.

It may be possible that sorghum cane which has for the past year been successfully grown in the southern part of the county would make a substitute for hay. If planted thick enough it makes often dies for lack of moisture a very good feed but rather coarse to handle when used as h-y. Another source of supply for 1934 could be if a larger acreage of alfalfa would be sown this

Alfalfa which was sown last spring promises a good yield of hay for this summer. Had only more of it been sown the hay shortage which is sure to come, could have been avoided.

SILVERTON, March 18 - Between showers Silverton farmers are endeavoring to get their grain which was killed out by the heavy frost of last winter, reseeded. Many of the farmers report that the February and March weather has been so bad that re-seeding The last few days of nice in any of the lower fields has so

With the advance of spring the ravages of the frost are more discernable in farm communities. Strawberry and loganberry fields are practically destroyed throughsuffered heavy damages. Another worry of the farmers here this spring is that slugs have seemingly thrived during the cold weath-Winners Are Given or and armies of them are entering clover and grain fields and eating off the tiny shoots as soon as they appear above ground after

Bits For Planting; Hay, No Penalties for the First of the Week Shoppers at the Market

In fact itl pay you hansomly shopping here at any time to say nothing about what it will do for us. Now with those few smart remarks so aptly stated we'l procede with a few prices that are good Monday, Tuesday and Wednesday, whew did we say good Monday, Tuesday and Wednesday? Yes we see we did. Oh well you're the judge anyway and we know if you hapen to be needing any thing in the food line you come here anyway so why should we continue harping on the subject. Now if this dosent take the cake for the heading of a Grocery Store ad we're no judge of readin mater. We've been trying to find a place to stop but blame it all it just dosent seem right to stop talking about a store like the Market.
