AFFLICTS FARMER MONDAY BRINGS GAIN IN Selling Pressure From Salem Markets

> CHICAGO, March 20. - (AP) - Setbacks of about a cent a bushel in wheat values today resulted largely from persistent selling pressure attributed to government-financed sources.

Is Blamed

Houses that often act for federal farm board allies were es pecially conspicuous in liquidating May wheat holdings, and there was decided uncertainty as to the amount of such wheat yet to come on the market. It was also apparent that proposed agricultural legislative measures at Washington continued to exert disturbing influence.

Wheat closed weak at almost the day's bottom figures, 1/2-1/8 under Saturday's finish, corn unchanged to 4-% higher, oats unchanged to a shape up. Today's closing quotations: Wheat - May 51 %-%; July
