Electric Firm To Reduce Pay

Wage reductions affecting all local employees of the Portland Electric company will be made May 1, it was learned yesterday, following announcement in Portland by Franklin T. Griffith, company president, that markedly curtailed revenues for the year to date made such a step imperative. The scale to be enforced has not been learned here. This will be the second reduction in wages

PHILHARMONISTS TO GREET MUSIC WEEK

Preliminary plans were formulated last night at a meeting of the orchestra board for the third concert of the Philharmonic orchestra which will close the season. This concert would be presented probably on the night of May 3, introducing the celebration of Music week which in past years has brought Salem nationwide fame.

In this concert the Philharmonic choir of Willamette university would also participate, some of the numbers being ensemble production of orchestra and choir. Jacques Gershakovich will be the conductor. The choir is directed by Prof. Cameron Marshall.

The report of Mrs. W. E. Anderson, business manager showed the orchestra in good financial condition. Two concerts have been held thus far, and only a small sum remains to be raised for the expenses to date with plans already formed to cover the amount.

Growing interest in the orchestra was reported, and an eagerness on the part of the members to continue through the season, with anticipations for work again next year.
