Sophs Win All-W. U. Meet; Varsity Outlook Improves

SHOW UP WELL

Athletes Prominent on Grid **And Diamond Prove They** Can run and Jump

With more than 60 men participating, the first All-Willamette university track meet held Friday afternoon on Sweetland field was a decided success despite the unsuitable weather. The sophomores won with 106 1/2 points to 50 2-3 for the freshmen, 48 1-3 for the seniors and

12 for the juniors. Although experienced trackmen won a majority of the events, the all-university meet resulted in the uncovering of some new promising talent. One of the principal upsets was the victory of Ross Brown in the two mile run, this "dark horse" taking the honors away from Lange who had won this event in several of the intercollegiate meets last year.

Hawk and Pemberton, freshmen, were "finds" in the sprints, finishing one-two in the 220. Hawk also was second in the century. Manfred Olson, football fullback, made his bow as a discus tosser, winning that event with a heave of 116 feet 4 inches. Walt Erickson, a senior turning to the track for the first time in his college career, also won several places. Eckman and Connors, both somewhat dusky nags, tied for honors in the high jump.

Although few of the marks were notably good, it was evident that if all of the men who placed continue to work on track and field events, Willamette will have one of its best balanced teams in recent years. The meet was arranged by "Spec" Keene, athletic director, and Vernon Gilmore, track coach. Summary:
