

MOST OF MOHAIR IN TEXAS CLIP IS SOLD

PORTLAND, April 13.—(AP)—News that most of the 1933 Texas mohair clip has been sold and is being moved to Boston, took the trade here by surprise today.

The price of 13c on matured hair and 30c a pound for kid reflects the differential between old hair and kid offerings due to the fact that Texas had only a nominal supply of the latter.

The price of 13c for Texas mohair delivered in Boston would mean about 9c to the goat owner there.

The market for wool here continues to mark time, according to the trade. There has not as yet been sufficient business at any

point along the Pacific slope to firmly establish prices, and none is openly quoted.

Shearing operations in both sheep and goat flocks are being retarded by unseasonably cold weather in the Willamette valley and the interior.

SECURITIES RISING WITH COMMODITIES

NEW YORK, April 13.—(AP)—Security and commodity markets rallied today, in most cases briskly, while the dollar had a severe sinking spell in relation to foreign currencies.

Stocks, up fractions to around 3 points, more than canceled recent losses. Industrials were best favored, for they, as a group, would stand to reap the most immediate benefits from higher commodity levels. Oil, metal, tobacco and sugar showed numerous net gains of 1 to nearly 3, this last embracing Seaboard Oil, U. S. Smelting, American Tobacco, "B," Standard of New Jersey, American Sugar, International Silver and American Smelting. U. S. Steel rose nearly 2 while Westinghouse, duPont, American Can, Bethlehem, American Telephone, Consolidated Gas, Union Carbide, Chrysler and National Biscuit were up 1 to more than 2. Allied Chemical gained 3 1/2 net and Case 2 1/2.

Sales totaled 1,659,970 shares.

Health Entrants in Contest Are Chosen

MT. ANGEL, April 13.—The second medical examination was given the local members of the 4-H health club Tuesday by Dr. V. A. Douglas. The club has 13 members, Margaret Frank and Catherine Clouse scored highest among the girls, receiving 997 and 994 respectively, out of a possible 1000. Harold Bourbonnais with 992 and Michael Welton with 987 received the best score among the boys. These four will go to the 4-H club fair May 5 and 6.
