HAVE YOU HEARD ABOUT THE NEW GOODRICH SAFETY SILVERTOWNS! 3 TIMES SAFER FROM BLOW-OUTS AT HIGH SPEEDS
YES... I'M GETTING A SET. LIFE'S TOO SWEET TO TAKE CHANCES

BLOW-OUT PROTECTION FREE!

Safest Tire Ever Built Now 3 Times Safer from Blow-outs at NO EXTRA COST!

WHEN you push the "gas" pedal down—the temperature inside your tire goes up. The heat becomes terrific—rubber and fabric begin to separate. A blister starts—grows—grows—inside the tire, where you can't see it. Then, when you least expect it—BANG! A blow-out! The tire flattens : : : drags the car from the road : : : and you're headed for trouble.

An Utterly New Kind of Tire!

To protect you from such accidents, Goodrich Safety Silvertowns are now made three times safer from blow-outs by the amazing new Life-Saver Golden Ply! This remarkable invention resists internal heat—keeps rubber and fabric from separating—prevents blisters—keeps you safe by eliminating the cause of blow-outs!

In grueling tests on the world's fastest track, this new Silvertown, with the Life-Saver Golden Ply, lasted three times as long as first quality tires that did not have

this feature. These SILVERTOWNS never blew—because the Life-Saver Golden Ply refused to give!

Safest Anti-Skid Tread

But that isn't all. Scientific tests with leading makes of tires prove that Goodrich Safety Silvertowns have the most skid-resisting tread on the road. Even on wet, slippery pavements, the squeegee drying action of this famous tread gives your car extra road-grip and reduces danger of skidding to a minimum.

Come in and let us show you this remarkable tire that is three times safer from blow-outs at high speeds. Remember—this amazing protection is free. For Goodrich Safety Silvertowns cost no more than other standard tires.
