Euchre Play Continued by 30-Year Club

GATES, April 19.—Members of the Gates Birthday club were guests of Mrs. E. V. Collins Saturday night at the Gates hotel, with five tables of cards in play. In place of the modern bridge parties which most clubs boast of now-a-days, the members of this club are unique in that they have been organized for 30 years and during all this time the only card game played is euchre.

Needless to say most of the members are wisards at this old-time game. There are 20 members in the club, a number of whom were charter members.

At the meeting Saturday night Mrs. A. D. Stott won first prize, Mrs. Neel Richardson second and Mrs. L. W. Kells consolation. Mrs. A. B. Syverson won the guest prize.

IMPROVEMENT CLUB SELECTS OFFICERS

GATES, April 19.—Election was held Thursday by the Improvement club. Mrs. Ruby Horner, who has served as secretary the past year, was elected president. Mrs. Ervin Lawson was elected vice-president; Mrs. A. B. Syverson, secretary; and Mrs. Roy Taylor, re-elected treasurer. At noon a pot-luck dinner was enjoyed. The members are making plans for continuing the hot soup projects for the school in the fall.

They also have in mind the means of raising money to pay for the cleaning of Fairview cemetery. This part of the work will undoubtedly be aided by residents of Mill City as the cemetery, which is about half way between the two cities, holds the loved ones of many families of the mill town as well as those of the Gates community.

Mrs. Ernest Wrigglesworth, who has been in poor health for many years and recently has been much worse, is reported to be improving the past week or so.

Friday night two plays were presented by the high school students. One was "Girl Shy" and the other "A Fiance for Fanny." Those taking part did splendid work.
