

CHURCH NEARS 30TH BIRTHDAY

Early History of Hazel Green Group Told; Plan Special Service

By MRS. G. G. LOONEY
HAZEL GREEN, April 20—The Hazel Green church will observe the 30th anniversary of organization with an all day meeting April 23. Rev. Clark M. Smith will preach at 11 o'clock. Dr. W. C. Kantner of Salem will bring the message at 2:30. Dr. Kantner had been preaching at the school hours afternoons during the summer months for two years preceding the organization of the Sunday school from the church grew.

The last Sunday of September, 1902, Dr. Kantner and Rev. Bertha M. Peoples, organized the school at an all day meeting. Mrs. Daniel Clark, nee Roxanna Thompson, of Pratum, teacher of public school, was elected superintendent. Mrs. W. E. Savage, nee Wilda Gilbert, secretary. The first quarter's literature was donated by Sunday school board of United Brethren church and the second quarter Congregational literature was used.

A revival meeting was held by Rev. Bertha Peoples in February and 1903. The group voted to organize church, and Mrs. Clark suggested it be United Brethren. The charter members and denominations are as follows: Rev. Bertha Peoples, United Brethren; O. M. Peoples, Baptist; Hetty Wolf, now Mrs. D. R. Peterson, C. L. May, Methodist; D. R. Peterson, Congregational; Margery B. May, Presbyterian; Charles Alexander, during the summer a Christian Endeavor was organized with D. R. Peterson as president.

In October, O. M. Peoples, John Wolf, (Methodist) and C. L. May were elected trustees to secure necessary corporation papers to build a church. The small frame church in use yet was built 1903-1904. Mrs. Peoples being pastor. The next pastor, Rev. Dora Young bought an additional one-half acre adjoining and gave the church for a parsonage site. She also started the parsonage fund. The parsonage was built during pastorate of Rev. A. N. Cissa. Dr. F. W. Jones served one year. He directed the clearing of the large stumps from the grounds. Mrs. Bertha Peoples was returned as pastor and led the charge in lifting the debt on the parsonage. The Ladies Aid with Mrs. Ellen Van Cleave, first and only president, was of great assistance.

Miss Marguerite Peterson, now Mrs. Nutting of Seattle, was first president of the Women's Missionary society. Mrs. C. A. Van Cleave, Mrs. Orville Luckey, and Mrs. G. G. Looney served in later years in the mission society. Other pastors serving were: W. E. Albin, E. O. Shuman, Francis Fisher, Miss Leila Luckey, W. A. Mershon, present pastor, Rev. Clark M. Smith, Mrs. Ellen Van Cleave, 87, a pioneer of 1865, is the oldest member; Margery M.

HOLLYWOOD ELOPERS

Looking mighty pleased with themselves, Alice Joyce, celebrated screen actress, and her new hubby, Clarence Brown, movie director, told the cameraman to go ahead and do his darnedest. They were secretly wed in Virginia City, Nev., recently, after a quiet exit from Hollywood by train. Foggy weather prevented a romantic aerial elopement as had been planned by Brown, an experienced flyer.

THREE COMPLAINTS FILED WITH CLERK

DALLAS, April 20—Three complaints have been filed here this week. Dallas City bank has sued Homer J. Brown, Fay E. Brown, et al, for \$935 with interest at 7 per cent from July 12, 1932, \$150 attorney fees, and costs and disbursements. They also seek to have a chattel mortgage on the fixtures, stock, and furnishings of Brown's Confectionery foreclosed.

C. J. Shreeve and C. V. Shreeve filed a complaint against Ernest C. McCallon in which they seek to collect money due on merchandise delivered, totaling about \$320.

John Burns filed a suit against the State Industrial Accident commission. He states that he was injured in February, 1930, while working at the Cobbs and Mitchell Mill at Valsecs. He also alleges

that the accident commission had not paid him the full amount due him for the injuries sustained in the accident.

A marriage license was issued to Cornelius Fenner, 25, barber, and Ina Ramsdell, 17, at home, both of Dallas.

Dobbin and Tractors on Job Steadily

ZENA, April 20—The late season and dry condition of the ground brought on by heavy rains, followed by strong winds and sunshine in this section of Polk county have caused an increased demand for tractors and equipment in order to facilitate getting the fields into a proper condition for seeding and to conserve all the moisture possible.

However, most farmers find that Dobbin is a big factor in farming and for slow, steady work he is hard to beat. Especially is this true when plowing on low, wet fields where the heavy tractor would mire down or on hills where there are numerous rocks and slow plowing is imperative if the farmer expects to finish his work with his plow intact.

Reports from all over the southeast section of Polk county state that farmers in general are reseeded where grain was frozen out. Conditions are not nearly so bad as reported earlier in the season. Grass roots were not frozen as badly as at first it was thought and grass is now growing nicely and furnishing good feed for stock, for which farmers are thankful.

She was a faithful worker in the church. She was the only child of Mrs. Helen Gibbs who has made her home with the Trasks the past three years, since her daughter's health has been poor.
