

W. U., Salem Y. and Normal in Three-Way Meet Today

BEARCAT TEAM TO FACE TEST

Competition Strong; Salem High and Chemawa to Clash Saturday

Intercollegiate track and field competition for the Willamette university team, coached this year by Vernon Gilmore, will commence this afternoon at 3:30 o'clock on Sweetland field, when the Bearcats will engage in a three-cornered meet with Oregon Normal and the Salem Y. M. C. A. This meet should furnish Coach Gilmore with some idea how the Bearcats will rank in Northwest conference competition, as the Y. team recently was nosed out in the relay by Linfield. The Y. however may be stronger today, as some of its athletes who were unable to make the trip to McMinnville will be able to compete this time.

Indications so far have been that Willamette will have the best balanced team that it has turned out in several years, but unless marks made in under adverse weather conditions in the all-university meet recently are improved, the team will not be outstandingly strong in any department.

Trials conducted recently have resulted in the following selection of Willamette entries for the meet today.

- 100 yard dash—James, Hawk and Pemberton.
- 220 yard dash—Hawk, Cannady and Lucke.
- 120 high hurdles—Rieke and Carpenter.
- 220 low hurdles—Cannady and James.
- 440 yard dash—Nye, Waltz and Armstrong.
- 880 yard run—McCullough and Barnett.
- 1 mile run—Cook, Weed, Mealey, Feiken.
- Two mile run—Benson, Lange, Adlard and Dumas.
- Shot—Connors, Grannis and Olson.
- High jump—Rieke, Kloostra and Connors.
- Broad jump—Lloyd, Cannady and Rieke.
- Pole vault—Dean, Robinson and Clark.
- Discus—Olson, Fantz and Connors.

WILDCAT PETE FACES MACKAY

Moves up to Main Event in Tuesday Show; Bulldog Jackson on Card

When "Wildcat" Pete was reintroduced to Salem wrestling fans at this week's show, the promise was made that Pete wouldn't stay away so long next time; and true to that promise, he will appear again next Tuesday night, this time in the main event and opposed to "Cyclone" Mackey.

Pete's appearance on the last card was little more than a sample, as he disposed of Soldier Bob Anderson in rapid time and with little difficulty; but in Mackey the Lane county pioneer is coming up against an adversary worthy of his best efforts.

Bulldog Jackson, for hate of whom hundreds of fans planked down cold cash regularly over a period of weeks recently, will be back, meeting Jimmy Anderson, who made several appearances here.

The Bulldog will be hampered by the time limit of one hour and the anti-chair edict which his activities caused to be clamped down by the upholders of law and order, but he never has failed to provide a kick so far, and the likelihood is that he will come through for his public.

DALLAS HIGH OPENS SEASON AT AIRLIE

DALLAS, April 20. — Dallas high will open its 1933 baseball season at Airlie, Friday afternoon when the team tangles with the team from that high school. This will be one of the opening games of the county league race.

Dallas will only play six games this year, confining its efforts to the league games. The first home game of the season will be played here on Friday, April 28, with Monmouth high furnishing the opposition. The game this Friday will be a battle between two championship teams, as Airlie took the cup in 1931, and Dallas walked off with it last year.

There will probably be nine lettermen on the squad for the Airlie game. They will be LeFors, Lewis, McMillan, J. Friesen, L. Friesen, Woods, Laine, Hunter and Grant. Other players going may be: Holden, Peters, P. Friesen, Jones, Robinette and Vinton.

Ducks Get Big Lead, Need Circus Stab by Mulligan To Save it and Win 6 to 5

PORTLAND, April 20.—(AP)—Portland defeated Hollywood, 6 to 4, here today to make it three straight for the series. It was only Eddie Mulligan's sensational catch of what looked like a sure hit, however, that stopped a Hollywood rally one run short of a tie.

The Stars opened the scoring with one run in the fourth inning, Portland came back in the fifth to score four runs on three hits and two walks and to drive Campbell from the box. The Beavers picked up two more in the eighth. In the ninth Ray Jacobs rapped out a home run for Hollywood, bringing Brannan and Taitt in before him. Bassler singled and came in on Crowley's double. Hansen set the ball slipping down to short, but Mulligan raced out, scooped up the ball on the run and tossed it to first to end the game. Hollywood.....5 9 1 Portland.....6 11 0 Campbell, Wetzel and Bassler; A. Jacobs and Palmisano.

SEATTLE IN 10th

SEATTLE, April 20.—(AP)—The Seattle Indians nosed out the Missions today by one run in an extra inning, see-saw, hammer and tongs game that ended with the score 16 to 15.

Seattle had to defeat the Californians three times to win the free hitting contest, in which the Missions hit five home runs to one for Seattle. The score was tied thrice.

In the 10th, after the Missions failed to score, Almada singled, Miller sacrificed and Cox singled to score Almada.

Counting home runs, Hafez made two and Walter, Eckhardt and Fitzpatrick one each for the Missions, and Burns scored one for the Indians.

Oakland.....10 16 2 San Francisco.....5 12 2 McEvoy and Veltman; Hollerson, Douglas, Stutz and McIsaac.

LOS ANGELES, April 20.—(AP)—Sacramento made it three in a row from the lethargic Angels today, staging a four-run rally in the ninth that left Los Angeles on the short end of a 10-7 score. It was the fifth straight

Trout Plantings Made in County

The state game commission yesterday made its first 1933 season plantings in Marion county streams, when 20,000 cutthroats were placed in the Abiqua.

The consignment planted yesterday is only a portion of the young fish that will be added to streams in this section this season.

CURT COMMENTS

Track meets, up to the last two or three years, had always been slow, draggy affairs, with interminable waits between events. Even an ordinary dual meet which required no extra heats in the races, usually started about 1 p.m. and dragged along until dinner time.

The principal factor in changing all that and making a track meet a slam-bang affair with something doing every minute, is the public address system. Here in Salem and at nearby cities, Gardner Knapp and his Cherry City Baking company car have been speeding up track meets for the last couple of seasons, and we have no doubt that Knapp and the big voice will be on hand this afternoon, permitting the Willamette-Oregon Normal-Salem Y. M. C. A. meet to start at 3:30 and finish by 5:30 at the latest.

Just what a loud speaker can do about speeding up a track meet, may not be realized by all fans, but those who have had a great deal to do with such events, know what a chore it used to be to get all the participants lined up and ready for races and field events on half a dozen corners of the field. A megaphone never was equal to the occasion, but the magnifiers that came in with radio and the talkies, firm the trick without the straining of any vocal cords. And the result is a much more interesting spectacle, growing in popularity with the public.

Lon Stiner, whose selection as football coach at Oregon State is still just around the corner, but a certainty for all that, will have to do some building; absent along with the late lamented Coach Paul Schissler will be 12 lettermen, including a veteran for every position excepting center and left tackle. Among the missing will be, most notably of all, Hal Moe, the great blocking half; Frank Little, fullback; Everett Davis, Keith Davis, Herman Leaf and Red MacDonald, ends; Ted Hermann and Tommy Ward, quarterbacks; Wayne Harn, tackle; Arthur Miller, Hugh Stanfield and Loren Tuttle, guards.

MEMBERS DEFEAT CADDIES SOMEHOW

The members defeated the caddies 7 to 5 in the kitball game which dedicated the new ball park of the Salem Golf club Thursday night. However, it should be said on behalf of the caddies that after they had scored a flock of runs in the first inning before the members got the feel of the soft sphere, that inning was declared a "practice" affair and the game started over.

Even after that the caddies held the upper hand until the close of the game when the caddies' pitcher weakened or some smashed out home runs: Cliff Parker, Bert Victor, Don Hendrie and Ted DeTennencourt.

Johnny Perrine pitched for the members and Ivan Kafoury for the caddies.

The new diamond was in excellent condition. It has ample space for a regular baseball game, with the ninth fairway for extra outfield space.
