

THREE EXTRA DAYS TO ASK SEED LOAN

While the seed loan office here will be positively closed Saturday night, Marion county farmers will have an additional three days' grace in which to make applications for the federal loans, Ira Hyde of the Portland office has

informed P. H. Bell, legal advisor for the Marion county office. From Monday morning until Wednesday night, applications may be made at Mr. Bell's office, 225 Oregon building. These will be wired to the regional offices in Minneapolis, in order to be there before the deadline. Five applications were made here yesterday, and each day that number or more is received. It is estimated more than \$50,000 will be spent in this county through the medium of these loans.
