Gold Embargo no Basis for Friction, MacDonald Tells Newsmen

(Continued from page 1)

duce the gold content of the dollar as a means of getting the new world currency basis, democratic leaders responded with a promise

But the republicans, under the leadership of Ogden Mills, the Hoover secretary of the treasury, struck out at the same time in their first bold attack on the Roosevelt economic program, assailing the money control measure as unconstitutional and dangerous. Cloture Rule May Be Invoked, Belief

The republican opposition augured bitter and protracted debate on Capitol Hill, but the leaders of the dominent democratic majority were ready to invoke cloture to drive the bill through.

Neither the president nor Mr. McDonald would go into details in their talks with newspapermen rbout their plans for world recovery. It was emphasized by each, however, that friendliness revailed in the common purpose for a revival of the world's con-

FRANCE MAY FACE **GOLD 'MANEUVERS'**

PARIS, April 21 - (AP) -French fears for diminishing commerce brought the first public admission today that France also may be obliged to "maneuver" for a better monetary position.

Although a government spokesman said the government and the Bank of France are "undisturbed" by developments in the United States and that France is determined to maintain the gold standard, the possibility that the franc may be involved was voiced by Leon Chavenon, director of the leading afternoon financial paper, I-Information.

Pupils Healthy T. B. Clinic at Chemawa Shows

CHEMAWA, April 21 - Only ten pupils were found to have actice tuberculosis in the tuberculosis clinic held at the Chemawa vocational school during the past ten days and concluded Thursday night. Approximately 80 children were examined, 500 ex-ray pictures being taken. Examining doctors consider the

percentage of active cases as low a number as would be found in any school or college with the same number of students of similar age groups.
The clinic was conducted by

Dr. W. L. Lockman, local physician; Dr. H. J. Warner, district medical director whose home is in Spokane, Wash.; Dr. R. L. Hickman, Yakima Sanitorium; and Dr. G. C. Bellinger, Oregen tuberculosis sanitorium.

Utilities Must be hanged here June 2 for the Merchandise in Separate Field

Merchandising by public utilities in Oregon shall be handled in a separate department and no part of the cost shall be charged against the rate base, Charles M. Thomas, public utility commissioner, held in an order handed down here Friday.

Thomas said a large number of merchants had complained that utilities now engaged in various forms of merchandising had charged the costs of such activities against the rate base. They alleged that this was unfair competition and an injustice to the rate payer.

The original hearings in the proceeding were held more than es representing different nations who enter as contestants in the year ago, Thomas declared.
