Miss Phyllis Day is Wed in Quiet Ceremony

At high noon Thursday in the home of her parents, Mr. and Mrs. Grant Day, Miss Phyllis Day became the bride of Robert Ramsden, son of Mr. and Mrs. Charles J. Ramsden. The ceremony was one of lovely simplicity with only immediate members of the two families attending. Rev. Fred Taylor of Portland read the service before an improvised altar of flowers and ferns. Tall cathedral tapers in white candelabra added an im-

pressive note to the altar. The bride who was unattended wore a chic ensemble of gray with gray accessories, and a close fitting gray hat. Her flowers were gardenias.

A luncheon at the Marion hotel followed the wedding ceremony. Mr. and Mrs. Ramsden left for a short wedding trip by motor and will return to make their home in Salem. They will be at home to their friends after May 15 at 1975 Maple avenue.

The Thimble club of the Neighbors of Woodcraft will be hostess for an evening of cards at the Fraternal temple tonight. The affair will be a benefit.

Encinitis Club Entertained

Members of the Encinitis club heard a very interesting and instructive talk by Miss Helen Brethaupt on the care and arrangement of cut flowers at their regular dinner meeting held Tuesday night at the Y. W. C. A. Miss Brethaupt illustrated her talk with several cleverly arranged bouquets and corsages. Covers were laid for Miss Brethaupt, Mrs. Hamilton, Mrs. Gallaher and 20 members.

At the short business meeting which followed the dinner, the nominating committee gave their report on the officers for next year who are to be elected at the next meeting. Final plans were also made for the Mothers and Daughters banquet to be held at the Gray Belle May 9.

The regular dinner meeting of the Ecclists club was held Wednesday evening at the Canton Tavern with Dr. and Mrs. J. Vin-ton Scott as special guests. The affair was arranged as a Chinese dinner with black and orange as the color scheme. After the dinner Dr. Scott talked on China and showed several reels of motion pictures taken by him and showing life in China.

MORE JOBS BEING FOUND FOR WOMEN

The most encouraging report in many months on employment handled through the Y. W. C. A. bureau for women was made yesterday by Mrs. Louise Wagstaff, employment secretary. She says there is a considerable pick-up in the number of calls for workers, with the increased demand being made by both city and country homes. The calls are largely for housework, with some demand for nursing assistants.

"But in spite of this favorable condition, we are still far from able to send all women out to jobs," she states. There are still about 10 applicants for every job.

At least 100 matrons of Salem attended the Women's Council which met in the First Christian church parlors Tuesday afternoon. A business meeting was followed by a program. Miss Helen Rose sang accompanied by Miss Irma Keeler; Mrs. Reed and Mrs. Mauk each gave short talks, and a missionary playlet was presented by the missionary society.

Baldock said conferences were held with the members of seven county courts, and that a number of proposed highway construction projects were discussed.

Scott, Baldock Visit Highways

Leslie M. Scott, chairman of the state highway commission, and R. H. Baldock, state highway engineer, have returned from an inspection of virtually all of the state highways in eastern and central Oregon.
