TRIBUTE IS PAID TO PIONEERS BY CAREY

17 70-Year Residents of Salem Attend Annual Champeog Lunch

Tribute to the "brave women and energetic men who dared trek their way across a continent to become apostles of a new civilization" was paid by Judge Charles H. Carey, corporation commissioner, at the 10th annual Champeog luncheon at the chamber of commerce yesterday noon. Judge Carey urged that further recognition of the Oregon pioneer be made through development of the historic site of Champeog, and through efforts to locate and centralize all information and documents of importance to the history of the state. A pronouncement that the Oregon country was to become settled and civilized is contained in old writings referring to kingdoms of prehistoric days in the Oregon country, Judge Carey declared, sketching briefly highlights of history of the country which later became the state of Oregon. The founding of Fort Astoria, the advent of the missionaries, then the fur traders and finally the ox teams all helped to settle the boundary dispute in 1848 in favor of the United States, which settlement carried wrapped with it a province which fulfilled the necessity for the country to face the Pacific.

Seventeen persons who have lived in or near Salem for 70 years or more were honored at the luncheon. They are: Mrs. A. N. Gilbert, 1849; Mrs. V. W. Ohmart, 1855; Mrs. Ruth E. Sayre, 1852; Cora L. Moores, 1855; A. N. Moores, 1855; Mrs. George J. Pearce, 1859; James N. Witzel, 1854; P. H. D'Arcy, 1854; Teresa E. D'Arcy, 1862; W. L. Jones, 1853; W. T. Rigdon, 1850; Charles E. Durbin, 1856; Mrs. C. P. Bishop, 1852; Mrs. B. C. Dyer, 1851; Ida M. Babcock, 1850; C. P. Bishop, 1856; and R. J. Hendricks, 1864.

NEW COUNTY BOARD IS MISUNDERSTOOD

Some criticism of the new law which provides a non-resident high school district board in each county was expressed by visitors yesterday at the county school superintendent's office here. The visitors had the idea that the new law, directly or indirectly, paved the way for a county unit type of school organization to which they are opposed.

Mrs. Mary L. Fulkerson, school superintendent, pointed out that the new law, giving the control of high school tuition and transportation exclusively to a board elected from non-high school districts, in reality was a move to greater control of schools by the areas which heretofore have been represented only by the high school board.

The election of the five directors will be June 19. Petitions are out for nomination of these directors but no finished petitions have as yet been filed.

ROSE FARLOW WILL FACE COURT AGAIN

Threat Allegedly Uttered At Close of her Trial Basis of Complaint

Warrant for the arrest of Rose Farlow was issued from justice court yesterday afternoon on complaint of Miss Grace Taylor, county health nurse. The warrant charges that Rose Farlow threatened to commit felony April 6.

Mrs. Farlow was just released from the county jail yesterday noon after serving out a \$50 fine imposed on an assault and battery charge, also made by Miss Taylor.

Both charges are the result of an episode which occurred at Garfield school early this month, when Mrs. Farlow attacked Miss Taylor, at the school in her capacity as nurse. The attack was said to have been made without provocation.

The warrant issued yesterday is based on statements of Mrs. Farlow alleged to have been made at the time she appeared before Judge Miller Hayden to answer to the assault and battery charge. She is supposed to have declared, after the fine was imposed, and as she was leaving the justice court chambers, that she "would give her (Miss Taylor) a real beating next time."

Ball for Mrs. Farlow was set at \$500, and the warrant placed in the hands of the sheriff. Mrs. Farlow was yesterday characterized by Sheriff Burk as a "model prisoner," after some slight difficulties of the first few days of her incarceration were ironed out.
